Matt Manuel Les Miserables:

Les Misérables Victor Hugo, 2013-11-07 A brilliant modern translation by Christine Donougher of Victor Hugo's thrilling masterpiece with an introduction by Robert Tombs This is the best translation of the novel available in English as recommended by David Bellos in *The Novel of the Century* Victor Hugo's tale of injustice heroism and love follows the fortunes of Jean Valjean an escaped convict determined to put his criminal past behind him But his attempts to become a respected member of the community are constantly put under threat by his own conscience and by the relentless investigations of the dogged policeman Javert It is not simply for himself that Valjean must stay free however for he has sworn to protect the baby daughter of Fantine driven to prostitution by poverty A magnificent achievement It reads easily sometimes racily and Hugo's narrative power is never let down An almost flawless translation which brings the full flavour of one of the greatest novels of the nineteenth century to new readers in the twenty first William Doyle Times Literary Supplement The year's most interesting publication from Penguin Classics was a new translation by Christine Donougher of the novel we all know as *Les Misérables* You may think that 1 300 pages is a huge investment of time when the story is so familiar but no adaptation can convey the addictive pleasure afforded by Victor Hugo's narrative voice by turns chatty crotchety buoyant and savagely ironical it's made to seem so contemporary and fresh in Donougher's rendering that the book has all the resonance of the most topical state of the nation novel Telegraph Christine Donougher's seamless and very modern translation of *Les Misérables* has an astonishing effect in that it reminds readers that Hugo was going further than any Dickensian lament about social conditions *The Wretched touches the soul* Herald Scotland **Lin-Manuel Miranda**

Daniel Pollack-Pelzner, 2025-09-09 An intimate and captivating exploration of Lin Manuel Miranda's artistic journey revealing how the creator of the Broadway musicals *Hamilton* and *In the Heights* found his unique voice through bold collaborations redefining the world of musical theater How did Lin Manuel Miranda the sweet sensitive son of Puerto Rican parents from an immigrant neighborhood in Manhattan rise to become the preeminent musical storyteller of the 21st century Lin Manuel Miranda The Education of an Artist is his incredible story as never told before tracing Miranda's path from an often isolated child to the winner of multiple Tonys and Grammys for his Broadway hits *Hamilton* and *In the Heights* a global chart topping sensation for his songs in Disney's *Moana* and *Encanto* and the recipient of a Pulitzer Prize and a MacArthur Genius Grant Miranda's journey is a testament to the power of creativity collaboration and cultural synthesis He was not a musical prodigy but an insatiable drive to create art and learn from those around him propelled him to fuse his Latino heritage with pop hip hop and the musical styles of Broadway His was a new way of telling American stories and of speaking to new audiences Drawing on interviews with Miranda's family friends and mentors and many conversations with Miranda himself Daniel Pollack-Pelzner delves into the formative experiences that shaped Miranda as an artist from his early musicals in high school and college to the creation of his Broadway and Hollywood triumphs With full access to Miranda's inner circle this behind the

[Dance in Musical Theatre](#)
Phoebe Rumsey,Dustyn Martincich,2023-12-14 From Oklahoma and West Side Story to Spring Awakening and Hamilton

dance remains one of the most important and key factors in musical theatre. Through the integration of song and dance in the dream ballets of choreographers like Agnes De Mille, the triple threat performances of Jerome Robbins dancers, the signature style creation by choreographers like Bob Fosse with dancers like Gwen Verdon, and the contemporary identity driven work of choreographers like Camille A. Brown, the history of the body in movement is one that begs study and appreciation. Dance in Musical Theatre offers guidelines in how to read this movement by analyzing it in terms of composition and movement vocabulary whilst simultaneously situating it both historically and critically. This collection provides the tools, terms, history and movement theory for reading, interpreting and centralizing a discussion of dance in musical theatre, importantly with added emphasis on women and artists of color. Bringing together musical theatre and dance scholars, choreographers and practitioners, this edited collection highlights musical theatre case studies that employ dance in a dramaturgically essential manner, tracking the emergence of the dancer as a key figure in the genre and connecting the contributions to past and present choreographers. This collection foregrounds the work of the ensemble, incorporating firsthand and autoethnographic accounts that intersect with historical and cultural contexts. Through a selection of essays, this volume conceptualizes the function of dance in musical, how it functions diegetically as a part of the story or non diegetically as an amplification of emotion, as well as how the dancing body works to reveal character psychology by expressing an unspoken aspect of the libretto, embodying emotions or ideas through metaphor or abstraction. Dance in Musical Theatre makes dance language accessible for instructors, students and musical theatre enthusiasts, providing the tools to critically engage with the work of important choreographers and dancers from the beginning of the 20th century to today.
