Serial publications of foreign governments 1815 1931 The Post-Soviet Wars Christoph Zurcher, 2009-09 A brief history of
the Caucasus region during and after the Post Soviet Wars The Post Soviet Wars is a comparative account of the organized
violence in the Caucasus region looking at four key areas Chechnya Armenia Azerbaijan Georgia and Dagestan Z rcher s goal
is to understand the origin and nature of the violence in these regions the response and suppression from the post Soviet
regime and the resulting outcomes all with an eye toward understanding why some conflicts turned violent whereas others
not Notably in Dagestan actual violent conflict has not erupted an exception of political stability for the region The book
provides a brief history of the region particularly the collapse of the Soviet Union and the resulting changes that took place in
the wake of this toppling Z rcher carefully looks at the conditions within each region economic ethnic religious and political
to make sense of why some turned to violent conflict and some did not and what the future of the region might portend This
important volume provides both an overview of the region that is both up to date and comprehensive as well as an accessible
understanding of the current scholarship on mobilization and violence **Sessional Papers - Legislature of the Province
