[Reichel's Care of the Elderly](#) Jan Busby-Whitehead, Samuel C. Durso, Christine Arenson, Rebecca Elon, Mary H. Palmer, William Reichel, 2022-07-21 This eighth edition of Dr Reichel's formative text remains the go to guide for practicing physicians and allied health staff confronted with the unique problems of an increasing elderly population Fully updated and revised it provides a practical guide for all health specialists emphasizing the clinical management of the elderly patient with simple to complex problems Featuring four new chapters and the incorporation of geriatric emergency medicine into chapters The book begins with a general approach to the management of older adults followed by a review of common geriatric syndromes and proceeding to an organ based review of care The final section addresses principles of care including care in special situations psychosocial aspects of our aging society and organization of care Particular emphasis is placed on cost effective patient centered care

including a discussion of the Choosing Wisely campaign A must read for all practitioners seeking practical and relevant information in a comprehensive format      **No One Needs to Know** Kevin O'Brien, 2015 After killing a stalker who broke into her home young widow Laurie Trotter takes her baby son and moves to Seattle where she hopes to lay low and start over again The dead man's brother a charismatic sociopath with a family of followers is bent on revenge Laurie's first job in Seattle is in a food truck catering a film production The movie is based on the real life 1970 murders of an actress her husband and their baby's nanny and all the actual locales are being used The cursed film is plagued with on the set accidents and bizarre deaths It's hardly the place for Laurie to lay low Author's website      *Mental Health, Intellectual and Developmental Disabilities and the Ageing Process* Vee P. Prasher, Philip W. Davidson, Flavia H. Santos, 2020-12-22 This book brings together findings from research and clinical practice with comprehensive coverage of the important aspects of mental health in ageing persons with intellectual and developmental disabilities It is crucial for professionals involved in the care of persons with all intellectual and developmental disabilities to have a broad understanding of the essential range of issues and therefore this book provides a truly multi disciplinary perspective complete with many figures and illustrations to underline the key points Undoubtedly research and clinical practice are much more advanced in the general ageing population than in persons with intellectual and developmental disabilities and so professionals and academics must be made fully aware of commonalities and idiosyncrasies of older people with intellectual and developmental disabilities This book presents the ongoing developments concerning mental health and aging which will become relevant to the intellectually disabled population Through experience this book also acknowledges that the impact on the persons themselves and on their carers always needs to be taken into account with treatment programs established with a multi faceted team approach in mind Avoiding the jargon of many titles in this area while maintaining the hands on approach of clinical practice this book meshes the practical and scientific worlds with all chapters written by leading experts in the field Beyond the US the IASSIDD support expands the book message worldwide      The Northwestern Miller , 1909
