Keese, 2012-12-06 Charles S Sahagian Chief Electromagnetic Materials Technology Branch Deputy for Electronic Technology Hanscom AFB MA 01731 I t should not be surprising that an event as significant as the discovery of the laser has had some concomitant impact on other areas of science and technology but the extent of the impact was grossly unpredicted Upon perusal of this bibliography devoted to the subject of laser window and mirror materials it becomes very apparent that the effect of the laser on materials R and as new frequencies improved tunability higher power and other characteristics are achieved we can expect even greater demands and requirements on the materials community What are some of the highlights disclosed by this bibliography with regard to work already accomplished First one can note the extensive investigations into developing new materials while at the same time improving old ones Among the latter alkali halides for example have essentially had a rebirth In the past five years more progress has been achieved in the chemical and structural perfection of this class of materials than in the entire

preceding century Also carried along in the surge for improved laser materials have been the alkaline earth fluorides prime candidates for 3 to 5 J Lm ap plications chalcogenides semiconductors oxides and others

*From Story to Judgment: The Four Question Method for Teaching and Learning Social Studies* Gary Shiffman,Jonathan Bassett,2021-09-14 The Four Question Method identifies the questions that drive the thinking that real people do when they take the human world seriously The authors Jonathan Bassett and Gary Shiffman have figured out how to describe and teach what it takes to answer those questions well This inquiry method gives educators a way to integrate content coverage through storytelling with practice in thinking skills that are central to history and its affiliated academic disciplines together called social studies The Four Question Method helps teachers to plan more effectively and students to learn more effectively It provides guidance for writing research essays And it transfers the skills our students practice will work for them when they encounter and make their own history
