volume there is a bit less spanking and a bit more focus on reality Many will spark your imagination as you think of things you can do in your own Female Led Relationship It doesn't matter where your ideas come from it's a matter of creating a wide variety of activities from which you can draw to keep your relationship fresh and alive **The Marriage Counselor** Mistress Ivey, 2017-01-15 The ad read Kathryn's Counseling Service We can save your marriage Success is guaranteed Call 555 5432 Even though Jane was skeptical she decided to give this woman a call After all she thought what could it hurt Things had been so bad in her marriage for so long Jane had almost given up hope of ever getting things back to the way they used to be Frank has never had any real drive to improve himself or his situation He has been happy just coasting through life Playing it safe was always his way Even though his fantasies were about more than money and power he never had the nerve to act upon them nor to even tell Jane about them His fantasies involved such things as being ruled by a strict Mistress type and to be forced into doing all sorts of humiliating things he could never tell Jane about them She would think he was sick and perverted So he just coasted Here's what one reader said This is Mistress Ivey's second book but her first published fiction The book falls within the FemDom Male Chastity and Female Led Relationship sub genres and if any of these things float your boat you're in for a treat The story follows a married couple's journey from being stuck in a stale relationship with the only way out appearing to be divorce to the involvement of a very special Marriage Counsellor who applies her brand of therapy on their marriage to bring the old flames back to life The first volume takes us through the initial stages to the point where their FLR is firmly in place Unlike the authors of the majority of erotica books and stories out there it's clear that Mistress Ivey can write The story flowed and never got bogged down in one specific area for too long Here's something I really appreciated about her book There are no billionaires in sight What I mean by that is that she didn't have to revert to slotting in a Billionaire to make things feasible the characters were normal people dealing with normal issues in wild and inventive ways Quote by John Ricke **Bound to the Mistress** Alex Jordaine, 2014-04-09 The House of Correction is owned by top London dominatrix Mistress Helena It is where rich masochists stay to receive advanced slave training and become officially collared Helena is aided in the maintenance of its strict disciplinary regime by Sylvie and Christopher Christopher feels uncomfortable in this role however as he is essentially submissive In order to resolve this conflict Helena agrees to his request to become a slave within The House of Correction Sylvie has always resented Christopher and sees this new turn of events as an opportunity to mistreat him so ruthlessly that he will be forced to leave However all the current slaves in The House of Correction have in their different ways good reason to be grateful to Christopher and between them they contrive to confound Sylvie's malicious plan **FemDom Law Firm - Part II** Mistress Benay, 2015-10-05 In this Exciting Sequel to the Top Selling Novel FemDom Law Firm Mistress Benay in her wonderful style continues telling the story of newly licensed attorney Nicholas Paige as he departs with Jessica on their Honeymoon to Bermuda When Nicholas married Jessica he was sure that all of his dreams and fantasies were going to finally come true However once Jessica gets a taste of being in control
