Highway Topics ,1928 *Thinking Through Stories* Thomas E. Wartenberg,2022-02-20 This book provides justification and instruction for exploring philosophy with children especially by using picture books to initiate philosophical discussion By demonstrating to teachers and others that picture books often embed philosophical issues into their narratives and that this makes picture books a natural place to go to help young children investigate philosophical issues the author offers a

straightforward approach to engaging young students In particular this volume highlights how philosophical dialogue enhances children s sense of self provides a safe space for the discussion of issues that they are confronted with in living their lives and develops an admirable method for resolving conflict that the children can use in other contexts **Elmer**
