Erie,1990-08-09 Unprecedented in its scope Rainbow's End provides a bold new analysis of the emergence growth and decline of six classic Irish American political machines in New York Jersey City Chicago San Francisco Pittsburgh and Albany Combining the approaches of political economy and historical sociology Erie examines a wide range of issues including the relationship between city and state politics the manner in which machines shaped ethnic and working class politics and the reasons why centralized party organizations failed to emerge in Boston and Philadelphia despite their large Irish populations The book ends with a thorough discussion of the significance of machine politics for today's urban minorities Rainbow's End Maury Klein,2003-05-01 Rainbow's End tells the story of the stock market collapse in a colorful swift moving narrative that blends a vivid portrait of the 1920s with an intensely gripping account of Wall Street's greatest catastrophe The book offers a vibrant picture of a world full of plungers powerful bankers corporate titans millionaire brokers and buoyantly optimistic stock market bulls We meet Sunshine Charley Mitchell head of the National City Bank powerful financiers Jack Morgan and Jacob Schiff Wall Street manipulators such as the legendary Jesse Livermore and the lavish living Billy Durant founder of General Motors As Klein follows the careers of these men he shows us how the financial house of cards gradually grew taller as the irrational exuberance of an earlier age gripped America and convinced us that the market would continue to rise forever Then in October 1929 came a perfect storm like convergence of factors that shook Wall Street to its foundations We relive Black Thursday when police lined Wall Street brokers grew hysterical customers bellowed like lunatics and the ticker tape fell hours behind This compelling history of the Crash the first to follow the market closely for the two years leading up to the disaster illuminates a major turning point in our history **The United States in World War I** James T.
