

MEETING REQUEST EMAIL TO CLIENT (SAMPLE)

*Clients are tricky, and as such the best way to go about an email in this category is to be concise and straight to the point, stating the purpose of the meeting and how it can benefit the client, also adding contact information in closing the email. It is important not to force a client to wade through unnecessary information that they may not even be patient enough to read through.

(Take note that meetings with clients should not be requested on first contact).

REVIEW FROM CONTACT 1 I have studied various PMP guides and tutorials in the market But this book is different stands out and would be the best companion guide to the PMBOK Difficult concepts are presented in a style that is easy to follow The content is concise and supported by illustrative figures and tables This will save you from wasting your time on irrelevant or copious content In my opinion this is the ONLY book you will need to pass the PMP exam Other printed books and online sites have questions that are easier than the PMP exam and some wrong answers and explanations The 400 questions are at the same level of rigor as you will find in the PMP exam I wish I had this guide when I prepared for the PMP exam
