Education in the GCC Naved Bakali, Nadeem A. Memon, 2021-09-20 Schools of Education are emerging academic units in higher educational institutions in Gulf Cooperation Council GCC nations Most of these teacher training programs are in their infancy stages Modern day educational discourse across teacher training programs globally including the Middle East and in the GCC have predominantly focused on student centered approaches to teaching and learning This approach to teacher training is infused with critical scholarship and marks a shift away from positivist approaches to educational scholarship Integrating critical scholarship in GCC teacher training programs brings about a number of challenges as this approach to education is a departure from traditional cultural and social norms for schooling in the region This multidisciplinary volume highlights some of the challenges and complexities that inevitably arise from this paradox Professors researchers and specialists working in the GCC have contributed to this volume with the intent of empowering educators with authentic and contextualized research and insights to advance collective understanding of the complexities and challenges of teacher education and training in the GCC Ultimately this work will serve as a practical tool and resource that can be employed by schools of education to provide authentic insights strategies and research to further develop teacher training in the GCC and globally
