**Great-Grandma's Outlaw Cousins** Leslie Anne Perry,2015-03-30 Catalina Lena Reno was related to people who committed robbery and other serious crimes The author had never heard of the Reno brothers or of the Reno Gang 10 members of the Gang were hung by vigilantes which included 3 of the brothers until she learned of her great grandmother s connection to them And she had never heard of anybody Renos or otherwise being credited with Inventing train robberies committed first peacetime train robbery October 6 1866 Another thing she learned was that John Reno served time in the Missouri State Penitentiary in Jefferson City for his role in the robbery of the county treasurer s safe in Gallatin Missouri John served 10 of the 25 years and when released published a book The Life of John Reno of Seymour Indiana the world s first train robber Wilkison Reno and Julia Freyhafer had 6 children Franklin John Clinton Simeon William Laura Amanda The Notorious Reno Gang Rachel Dickinson,2017-05-01 The true story of the world s first robbery of a moving train and the real origins of the Wild West They were the first outlaws to rob a moving train But from 1864 to 1868 the Reno brothers and their gang of counterfeiters robbers burglars and safecrackers also held the town of Seymour Indiana hostage making a large hotel near the train station their headquarters When the gang robbed the Adams Express car of the Ohio Mississippi Railroad on the outskirts of Seymour on October 6 1866 it shocked the world and made other burgeoning outlaws like Jesse James sit up and take notice The extraordinary and extra legal efforts to take them out defined the term frontier justice From the first report of the robbery Allan Pinkerton s operatives were on the scene followed by kidnappings lynchings and an extradition from Canada to Indiana that caused an international incident In the end ten members of the Reno Gang were hanged including three of the Reno brothers And no one was ever charged with the murders The Notorious Reno Gang tells the complete story for the first time revealing how these gangsters Pinkerton s National Detective Agency and the little city of Seymour ushered in the Wild West The James and Younger Brothers J. A. Dacus,2017-04-19 Fast guns and hold ups the story of the James and Younger boys The Wild West frontier of the United States of America is the place of modern legends though their origins mostly come from a comparatively short period of time following the American Civil War during the westward expansion of Manifest Destiny to the dawn of modernism in the late 19th century Nevertheless the names heroes and villains from this era immediately caught the public imagination and have remained with us thanks to numerous books films and television series featuring them Among these outlaws there were few more notorious than the James Younger Gang The gang hailed from Missouri a bloody battleground with Kansas during the civil war wracked by the deprivations of Union Jayhawkers and Confederate Bushwhackers It was from this latter partisan group that the James Younger outlaw alliance grew The end of the war brought hard times for these men and the transition to gun slinging criminal killers seemed inevitable The gang s membership changed over the years but its notable members were of course brothers Cole Jim John and Bob Younger and the James brothers Frank and the infamous Jesse The gang robbed trains stagecoaches and banks in Missouri Kentucky

Iowa Texas Kansas and West Virginia between 1868 and Jesse James's death in 1882 when he was shot in the back by Robert Ford This is the story of these violent men and their troubled times Leonaur editions are newly typeset and are not facsimiles each title is available in softcover and hardback with dustjacket our hardbacks are cloth bound and feature gold foil lettering on their spines and fabric head and tail bands      Outlaws and Sheriffs Vic Kovacs, 2015-07-15 Readers will love this high interest book that focuses on the real life outlaws and sheriffs that lived in the Wild West They'll learn about the most notorious outlaws including Jesse James and Billy the Kid as well as famous lawmen and sheriffs including Wild Bill Hickok and Wyatt Earp Brilliant visuals accompany fascinating text to give readers a once in a lifetime learning adventure Sidebars will deepen readers understanding of the topic while Truth or Myth fact boxes shed light on the authentic cops and robbers of the American Wild West      **Notorious Outlaws of the Wild West: the Lives and Legacies of Jesse James, Billy the Kid, Butch Cassidy and the Sundance Kid** Charles River Charles River Editors, 2013-10-03 Includes pictures of the outlaws and important people places and events in their lives Discusses the myths and legends surrounding the lives and deaths of each outlaw Includes a Bibliography for further reading There is a hell of excitement in this part of the country Jesse James I'm not afraid to die like a man fighting but I would not like to be killed like a dog unarmed Billy the Kid The Wild West has made legends out of many men after their deaths but like Wild Bill Hickok Jesse James was a celebrity during his life However while Hickok was mostly a lawman Jesse James was and remains the most famous outlaw of the Wild West with both his life of crime and his death remaining pop culture fixtures Eventually James his brother and their infamous gang became the most hunted outlaws in the country but Jesse would famously be done in by the brother of his most trusted gang members After Jesse moved in with the Ford brothers Bob Ford began secretly negotiating turning in the famous outlaw to Missouri Governor Thomas Crittenden On April 3 1882 as the gang prepared for another robber Jesse was famously shot in the back of the head by Bob Ford as he stood on a chair fixing a painting While conspiracy theories have continued to linger that somehow James was not killed on that day the Ford brothers would celebrate their participation in his murder Bob himself would be murdered a few years later and Jesse James's legacy had been ensured Alongside Jesse James Butch Cassidy and the Sundance Kid were two of the most notorious outlaws of the west The duo had a full fledged gang known as the Wild Bunch conducting robberies in the Southwest and they became legendary for their shootouts and their escapes from the law Eventually Butch Cassidy and his most famous acquaintance fled as far east as New York City and as far south as Argentina In fact it was in South America that Butch Cassidy and the Sundance Kid are believed to have met their ultimate fate in yet another shootout with Bolivian soldiers The mystery and controversy surrounding that shootout and whether the two bandits were actually them have helped ensure their place in Western lore and as with so many other legends of the West people continue to speculate that Butch Cassidy and the Sundance Kid survived and lived out the rest of their lives In many ways the narrative of the Wild West has endured more as legend than reality and a perfect example of that can be

found in the legend of William Henry McCarty Jr better known as William H Bonney or Billy the Kid Indeed separating fact from fiction when it comes to the life of the West s most famous outlaw is nearly impossible due in great measure to the fact that the young man himself cultivated the image of a deadly outlaw and legendary gunman himself Though Billy the Kid may have killed anywhere from 4 9 men in his short life he was often credited for killing more than 20 With a wit as quick as his trigger Billy the Kid had a bullet and a wisecrack for every man he killed and his notoriety only grew when exaggerated accounts of his actions in Lincoln County eventually earned The Kid a bounty on his head There was plenty of gunplay in the outlaw s life to help him become a well known if not celebrated figure in the West but the legendary and controversial nature of his death has also helped him endure

Notorious Outlaws of the Wild West chronicles the lives and careers of the West s most famous outlaws discusses the myths and legends surrounding their crimes and deaths and analyzes their enduring legacies Along with pictures of important people places and events you will learn about Jesse James Billy the Kid and Butch Cassidy like you never have before

[The Top 5 Most Notorious Outlaws](#) Charles River Charles River Editors,2013-09-08

Covers the lives crimes and deaths of the outlaws Explains the legends and myths surrounding all of the outlaws in an attempt to separate fact from fiction Includes pictures of important people places and events Includes Bibliographies for further reading America has always preferred heroes who weren t clean cut an informal ode to the rugged individualism and pioneering spirit that defined the nation in previous centuries The early 19th century saw the glorification of frontier folk heroes like Davy Crockett and Daniel Boone After the Civil War the outlaws of the West were more popular than the marshals with Jesse James and Billy the Kid finding their way into dime novels And at the height of the Great Depression in the 1930s there were the public enemies common criminals and cold blooded murderers elevated to the level of folk heroes by a public frustrated with their own inability to make a living honestly Jesse James was and remains the most famous outlaw of the Wild West with both his life of crime and his death remaining pop culture fixtures Eventually James his brother and their infamous gang became the most hunted outlaws in the country but Jesse would famously be done in by the brother of his most trusted gang members After Jesse moved in with the Ford brothers Bob Ford began secretly negotiating turning in the famous outlaw to Missouri Governor Thomas Crittenden On April 3 1882 as the gang prepared for another robber Jesse was famously shot in the back of the head by Bob Ford as he stood on a chair fixing a painting In many ways the narrative of the Wild West has endured more as legend than reality and a perfect example of that can be found in the legend of William Henry McCarty Jr better known as William H Bonney or Billy the Kid Indeed separating fact from fiction when it comes to the life of the West s most famous outlaw is nearly impossible due in great measure to the fact that the young man himself cultivated the image of a deadly outlaw and legendary gunman himself Though Billy the Kid may have killed anywhere from 4 9 men in his short life he was often credited for killing more than 20 Two months after Franklin D Roosevelt s inauguration in 1933 a petty thief who had spent almost a decade behind bars for attempted theft and aggravated assault was released from jail By the end of

the year that man John Dillinger would be America's most famous outlaw Public Enemy Number One From the time of his first documented heist in early July 1933 until his dramatic death in late July of the following year he would capture the nation's attention and imagination as had no other outlaw since Jesse James There was no shortage of well known public enemies like John Dillinger and Baby Face Nelson but none fascinated the American public as much as Bonnie and Clyde While the duo and their Barrow Gang were no more murderous than other outlaws of the era the duo's romantic relationship and the discovery of photographs at one of their hideouts added a more human dimension to Bonnie and Clyde even as they were gunning down civilians and cops alike When Bonnie and Clyde were finally cornered and killed in a controversial encounter with police a fate they shared with many other outlaws of the period their reputations were cemented
