

Chapter 1

Answer the following questions:

1. Do you think that Pip's being an orphan affected his life? Why? Give your answer in three sentences at most.
 - Yes, he led a miserable life. He had no one to look after him but his sister who treated him badly.
2. If you were in Pip's place, would you bring the file and food to the stranger? Why?
 - Yes, because I would be afraid of the stranger.
 - No, I would tell my sister and Joe what happened at the marches and ask for their help.
3. Do you think that Pip's older sister led a happy life with her husband? Why?
 - No, because she thought it was bad enough being a blacksmith's wife
4. What do you think would have happened if Pip had told his sister about his behaviour with the convict?
 - She would have punished him for stealing the food and the file.
5. "Suddenly, we heard angry shouts nearby. I was afraid of what was about to happen." What do you think was about to happen?
 - Everyone would know that Pip had helped the convict.
6. Should Pip have told the soldiers about the convict? Why?
 - Yes, because he was a criminal. He should be punished for escaping from prison.
 - No, he shouldn't, because he felt that it was his duty not to tell anyone where he was.

Chapter 2

Answer the following questions:

1. What do you think might have happened if Joe had gone to school?
 - He wouldn't have worked as a blacksmith.
 - He might have become a gentleman.
 - He wouldn't have married Pip's sister.
2. If you were in Pip's place, would you make friends with Joe? Why?
 - Yes, because he treats me well and I trust him.
3. "Then she jumped on me like an eagle on a lamb," said Pip. What did these words reflect about the relationship between Pip and his sister?
 - She doesn't treat her brother well. She had never wished to look after him. Pip probably doesn't like her.
4. The house looked unused and most of the doors were closed. Everything was dark inside. Do you think this atmosphere reflected the circumstances Mrs Havisham had lived in? Why?
 - Yes, as she herself was depressed and never wanted to deal with others after her fiancé had left her on her wedding day.
5. "As I stood before her, I noticed that the clock had stopped at nine." What do you think the stoppage of the clock indicates?
 - It indicates the stoppage of her life itself as she was shocked to discover that her fiancé had left her on her wedding day.
6. Do you think Mrs Havisham was right to let Estella break Pip's heart? Why?

Great Expectations Jonathan Skinner,Dimitrios Theodossopoulos,2011-10-01 The negotiation of expectations in tourism is a complex and dynamic process one that is central to the imagination of cultural difference Expectations not only affect the lives and experiences of tourists but also their hosts and play an important part in the success or failure of the overall tourism experience It is for this reason the authors argue that special attention should be given to how expectations constitute and sustain tourism The case studies presented here explore what fuels the desires to visit particular places to what degree expectations inform the experience of the place and the frequent disjunctions between tourist expectations and experiences Careful attention is paid to how the imagination of the visitor inspires the imagination of the host and vice versa how tourists and host communities actively imagine re imagine and shape each other s lives This realization has profound consequences not solely for academic analysis but for all those who participate in and work within the tourism industry
