

Human Resource Management

The background of the cover features a series of vibrant, multi-colored lines (including shades of blue, green, yellow, and orange) that flow and curve across a dark, almost black, background. These lines create a sense of movement and depth, resembling a stylized representation of human connections or data flow. A solid teal horizontal bar runs across the top of the cover, serving as a backdrop for the title and author's name.

Human Resource Management Gary Dessler 18th Edition:

Human Resource Management Gary Dessler, 2024 Human Resource Management 17th edition provides students in human resource management courses and practicing managers with a full and practical introduction to the latest human resource management concepts and techniques in a highly readable and understandable form. As this new edition goes to press, I feel even more strongly than I did when I wrote the first edition that all managers, not just HR managers, need a strong foundation in HR personnel management concepts and techniques to do their jobs effectively. You will therefore find an emphasis here on practical material you need to perform your day-to-day management responsibilities even if you never spend a day as a human resource manager. To ensure a smooth transition for adopters from the 16th to this 17th edition, this edition's 18 chapter table of contents and the outline of all but Chapter 1 are basically as they were in the 16th edition. Therefore, in terms of teaching, the topic flow is about the same as the 16th edition. However, embedded in each chapter's paragraphs are dozens of new topics, practical examples, and research insights, all accompanied by hundreds of new references. I particularly examined every word and line in this edition, making dozens and dozens of fine-tuning improvements which, while possibly invisible to the casual reader, further improve the book's already high readability. Human Resource Management

Gurpreet Randhawa, 2007-11 The Present Book Provides A Comprehensive View On Human Resource Management. Healing for the Abused Steve Emery, 2006-10-01

The author Steve Emery and his wife Jean Ann were married at the age of 17 and 15. Despite the trials and challenges of life they are still together and happily married 37 years later and encourage others through things they've learned over the years. Steve draws from the experience of kids raising kids having raised four children blending two entirely different family backgrounds and overcoming life issues to survive and succeed despite the many obstacles. Also insight gained from years in business and ministry add to the unique perspective contained in this writing. To recognize the problem of manipulation and control. Society from families businesses churches and governments have been affected by this emotional cancer. Many that have been victimized can draw hope and healing from the information in this book. To recognize the Church's responsibility regarding this issue. To define and identify covenant breakers victims or perpetrators.
