Hus Og Have Magasin

Huangqi Zhang

Hus Og Have Magasin:

Gads danske magasin ,1908 **Fashion Stylists** Ane Lynge-Jorlen,2020-08-06 Stylists have become increasingly influential in shaping fashion imagery They have moved from the backstage as unrecognised players to the frontstage of fashion becoming celebrated for their creative work as image makers for magazines advertising and fashion designers Yet little is known about the profession its diverse incarnations and its aesthetic economy Featuring contributions from leading experts and stylists this collection is the first to explore the history meaning and practice of fashion styling through interviews and historic and present day case studies Featuring in depth contributions from prominent fashion scholars chapters span historical periods cultural contexts and theoretical frameworks employing a range of methodologies in the international case studies upon which they re based Interspersed with interviews with innovative fashion stylists working today and drawing on examples from advertising the catwalk and magazines this book explores the challenges faced by stylists in a fashion system increasingly shaped by commercial pressures and by growing numbers of collections and seasons Fashion Stylists is an invaluable resource for students and professionals interested in image making the representation of style and fashion entrepreneurship and the history of fashion professionals Becoming Modern Birgitte Søland,2021-05-11 In the decade following World War I nineteenth century womanhood came under attack not only from feminists but also from innumerable ordinary young women determined to create modern lives for themselves These young women cut their hair wore short skirts worked for wages sought entertainment outside the home and developed new attitudes toward domesticity sexuality and their bodies Historians have generally located the origins of this shift in women s lives in the upheavals of World War I Birgitte Søland s exquisite social and cultural history suggests however that they are to be found not in the war itself but in much broader social and economic changes Søland s engrossing chronicle draws on a rich variety of sources including popular media and medical works as well as archival records and oral histories to examine how notions of femininity and womanhood were reshaped in Denmark a small largely agrarian country that remained neutral during the war It explores changes in the female body and personality the forays of young women into the public sphere the redefinition of female respectability and new understandings of married life as evidenced in both cultural discourses and social practices Though specific in its focus the book raises broad comparative questions as it challenges common assumptions about the social and sexual upheavals that characterized the Western world in the postwar decade In a remarkably engaging fashion it shows why the end of World War I did not lead to the return of normal life in the 1920s **Fjerkræavl i Danmark** W. A. Kock,1937 Ulrich's International Periodicals Directory Carolyn Farquhar Ulrich,1999 *Benn's Press Directory* ,1978 **Danmarks Blad-'og Bogverden. The World of Papers and Books in Denmark** ,1961 *Det Danske magasin* ,1957 **Lutheraneren** ,1903 Tidsskrift for biavl ,1907
