

The Analysis of Jennie Gerhardt by Theodore Dreiser

8 pages | 1982 words

The book I have picked to describe is "Jennie Gerhardt" by Theodore Dreiser. I didn't even think for a moment, when I got a job to make a discussion of a book, since it is my favourite work of art. First I read it 3 years back. I began when I remained in the aircraft and the 4-hour flight appeared to run really fast. In spite of the reality I went to Turkey in summertime to unwind, swim and have nothing to consider, every day I spent an hour to read this book. So absorbed I was. I took exactly this book with me on holiday only for one reason: I like when the title consists of name or surname, like, for instance, "Jennie Gerhardt", "Anna Karenina", "Jane Air" by Charlotte Bronte or "Brothers Shelenberg" by Bergard Callerman. It makes me interested, due to the fact that I envision that there would be a description of one especial fate, which sounds really mystical. Now I'm going to tell you some facts about the author's bio and how it's gotten in touch with the novel. Theodore Dreiser was born in 1871 in the U.S.A. and passed away in 1945 there. His household ran out heels so he needed to get by. He couldn't manage himself to pay for education. So he needed to provide up university. Then he attempted himself in different spheres: literature, publicism, social activities, he even was an accounting professional. Politically, Dreiser was associated with numerous campaigns versus social oppression. The literary profession began with the unique "Sister Carrie", released in 1900. The second book was "Jennie Gerhardt", released in 1911. This unique as lots of other works of Dreiser has plenty of autobiographical features. The closest connection appear in description of Gerhardts. For instance the head of the household William Gerhardt has much in typical with the author's dad John Poll Dreiser: deep piousness, even devoutness. It's understood that the authors mother supported the views of her spouse. The very same scenario takes location in the book: the William's wife, officially proclaimed doctrine Mennonite voluntarily accepted her spouse's religious beliefs. Autobiographical features are felt in the description of everyday life of the household Gerhardt, and the scenes of their move from Columbus to Cleveland, and on many other pages of the book. Even the tragic destiny of William Gerhardt, I mean his disability to do any work in the end of his life, was the image of Theodor's father, who was dreadfully maimed while doing construction. Finally he became disabled, too. As for the main character of the novel, Jennie herself, one of Theodor's sisters, Mary, appeared to be the prototype of her. All of these demonstrate the reference of Dreisers to the typical American lifestyle. In November 1932, Dreiser signed a contract with Paramount for the film based on a novel formulation of "Jennie Gerhardt." In 1944, the American Academy of Arts and Letters award Dreiser honorary gold medal for outstanding achievements in the arts and literature. What concerns the novel itself, generally, positive assessment of the press didn't promote the popularity of the novel among...
