Funding Science in America James D. Savage,2000-11-06 *Funding Science in America* first published in 1999 explores the pros and cons of the academic earmarking issue *The Saturday Review of Politics, Literature, Science, Art, and Finance* ,1914 To Keep the Republic Elizabeth C. Matto,2024-04-12 American democracy is at an inflection point With voting rights challenged election results undermined and even the US Capitol violently attacked many Americans feel powerless to save their nation s democratic institutions from the forces dismantling them Yet as founders like Benjamin Franklin knew from the start the health of America s democracy depends on the actions its citizens are willing to take to preserve it *To Keep the Republic* is a wake up call about the responsibilities that come with being a citizen in a participatory

democracy It describes the many ways that individuals can make a difference on both local and national levels and explains why they matter Political scientist Elizabeth C Matto highlights the multiple facets of democratic citizenship identifies American democracy s sometimes competing values and ideals and explains how civic engagement can take various forms including political conversation Combining political philosophy with concrete suggestions for how to become a more engaged citizen To Keep the Republic reminds us that democracy is not a spectator sport it only works when we get off the sidelines and enter the political arena to make our voices heard
