Jesus Speaks to a World in Turmoil Arline Phillips-Han, 2014-11-07 Jesus Speaks to a World in Turmoil is a fast moving journalistic story of Jesus whose unchanging voice of reason is needed more than ever when the daily news is consumed with threats to life and liberty The historic yet timeless teachings of Jesus Christ are relevant to solving many of the manmade problems in a world marred by hatred and violence Yet modern culture at the time of this book s release in late 2014 is marked by widespread indifference to the Christ sent to earth 2000 years ago to show people a better way He is frequencly misrepresented mocked politicized and ignored and his teaching of a superior lifestyle founded on the love of God and neighbor goes largely unheard Massive global resurgence of persecution against Christians leaves no room for complacency It is a critically important time to take a new look at who Christ is and to examine why he called on everyone who cares believers in God to serve as healing salt in a troubled world The author Arline Phillips Han has transitioned to Christian journalism after a career of 33 years in health science writing and public relations for the University of Florida Health Science Center in Gainesville FL Preaching to a World in Crisis Horton Davies, 2009-02-01 This second volume of sermons appearing after Believing is organized according to Davies s journey in time and space and his first hand experience of the troubled world on three continents Word War II in England and Germany race relations in South Africa and the need for Human Rights in America In addition to history literature psychology and lore the sermons mainly use argumentation to console the heart and show the way to compassion and justice in the name of Christ Christ's Challenge to Man's Spirit **in this World Crisis** George William Douglas,1918 Crisis Intervention Christ-Is Intervention Anthony Benjamin Cosenza Ph.D., 2006-06-02 Crisis intervention Christ is intervention Volume I is a carefully researched guide for personal and professional growth that systematically enables an individual to shift from a crisis to healthy and valiant living On a 25 year guest for the meaning of self value the author psychologist unveils the biblical origin and characteristics of spiritual valueness The relationship between spiritual crises and imbalances of values is biblically researched Specific types of spiritual crises with their eight subtypes are explained so that individuals can assess these crises through practical applications and appropriate questionnaires Drawing from principles and analogies in mathematics chemistry physics and sports fitness training Dr Cosenza shows individuals in spiritual search how to shift the balances of their values on the spiritual seesaw of life so as to maintain spiritual valor in and out of crises Using a step wise spiritual fitness training model he unfolds a spiritual model for crisis intervention or Christ is intervention which utilizes biblically based balance training exercises to prevent evaluate and correct particular critical conditions. Wood, 2017-02-14 Luke presents a unique take on the life of Jesus for he was not only a gentile but also a second generation Christian Luke was a product of the wider secular world of

his day A world filled with all sorts of weird and wonderful beliefs and practices A world like ours A world that like his needs The Church and the Crisis of Community Theresa F. Latini, 2011 Contemporary to hear anew and afresh the story of Jesus society is in crisis its structures broken and fragmented and its people overstimulated overstressed and thirsty for true communion with the sacred and with one another Yet although more than eighty five percent of congregations in the United States conduct small group ministry too many of these groups begin with no clear sense of purpose structure or spiritual focus and end by veering away from Christian tradition and unknowingly settling for shallow versions of popular Christianity In The Church and the Crisis of Community Theresa Latini lays out both a theoretical groundwork and a practical guideline for successful small group ministry Examining the latest sociological research and the real life practices of small groups in six congregations she shows how well developed groups those with mission statements leadership training and solid organizational structure can be a truly effective tool in the church's work of transforming broken and shallow forms of 1, 2, 3 John - Comfort and Counsel for a community into life giving life sustaining relationships with God and others **Church in Crisis** W. Douglass, 2006-04-01 In this his most eloquent and far reaching book James Douglass explores the haunting parallels between the situation of Jesus and our situation today Jesus who lived in anticipation of the impending destruction of Jerusalem by the Romans and suffered from this vision called urgently for a radical conversion to avert the tragedy The choice then as now was between nonviolence and nonexistence This choice is even more stark in the nuclear age Whether describing the visions of Gandhi Martin Luther King Jr Archbishop Romero or the witness of his own community against the White Train carrying warheads across the country Douglass can discern the sights of a second coming a nonviolent coming of God The possibility for a different future depends on a different kind of humanity renewed and transformed by the nonviolent cross of Christ The World Water Crisis Elena Rastello,2007 Hope for This Present Crisis Michael Youssef, 2021 Subtitle on cover The seven step path to restoring a world gone mad The World's Crisis, and the Restitution of All Things **Spurgeon's Sermons Volume 03: 1857** Charles Haddon Spurgeon, 2017-04-18 Charles Spurgeon was I.
