*Your Journey to Peace* Rosemary McCarthy,2016-10-21 Intertwined with Rosemary McCarthys personal journey of shifting from an angry frustrated person blaming others for her unhappiness to someone who now lives content with herself and in harmony with others *Your Journey to Peace* brings the esoteric to the practical and maps out how to become your Best Self and feel empowered in all areas of your life It also explains Why we are the way we are individually and collectively and how we got this way How we find peace within ourselves by making peace in our relationships and all situations That God does not allow for suffering We create it by upholding dualistic concepts of me and you and us and them that we embraced at our beginnings and before form The precursor to the Big Bang was the need for form to play out those dualistic concepts we chose at our beginnings all our issues stem from those original concepts based on ideas of separation rather than unity That understanding time makes the seven day creation model valid What are the extraterrestrials origins How we can reconcile the growing evidence of our past association with the ETs and our scriptures and beliefs Our need to embrace the Indigenous peoples connection to Gaia That we chose to be here at this time of the Shift to bring about our personal and Gaias Ascensions     **Sovereign: a Journey to Peace** Janice Marckmann,2018-05-09 In this novel a young woman searching for

seeking and a love she could never have imagined **Love and Loss A Journey through Fear to Peace - Volume Five** Betty Hibod, 2025-01-08 What if the teachings of scripture weren't just stories or symbols but lived realities Loss Love and A Journey through Fear to Peace offers a rare window into that experience Unlike traditional biographies or historical accounts this spiritual memoir invites readers deep into the invisible world of awakening Betty Hibod's journal based narrative is intensely personal documenting the lived embodiment of mystical principles across time grief and divine revelation From devastating loss to divine union from emotional disintegration to spiritual clarity Betty records her journey not as metaphor but as transformation made flesh More than a spiritual memoir this book is a detailed sensual and unfiltered chronicle of mystical awakening It explores tantric love divine feminine spirituality and non dualism through a lens that is both deeply human and profoundly sacred Rather than offering abstract theories it shows how the myths of sacred texts take shape in daily life It answers the questions rarely spoken aloud What does enlightenment feel like in real time How does one survive and evolve through spiritual paradox grief and loss and the collapse of personal identity Infused with mystical awakening philosophical reflection and raw emotional truth this is not a book about religion It is a book of lived revelation For readers seeking a deeper understanding of consciousness sacred sexuality or the journey of awakening this memoir is a path inward Step beyond the stories Walk into the soul Buy now and begin the journey **Love and Loss: A Journey through Fear to**

**Peace - Volume Three** Betty Hibod, 2025-01-20 Many books have been written as histories recounting events that shaped the life of a group society nation or civilization or as biographies recounting events and achievements relating to one person's life and work Many books have been written putting forth ideas philosophies and words of wisdom to live by Some of these we call holy books or scripture Fewer books have been written like this one which go behind the scenes of history lay bare the feelings behind the philosophies and document the painful and joyful inner path along which historical events and philosophical ideas emerge This book is intensely even shockingly personal not clinical or abstract or detached It is an intimate detailed sensual and sometimes disturbing account of a life lived on the cusp that bridges time and eternity Its focus is narrow it does not reveal much at all about anyone's visible public life or accomplishments but it explores in great depth the invisible contents of minds hearts and souls The scriptures and scriptural commentaries of most religions describe a path

to salvation or bliss and provide instructions or guideposts for moving along the path but they are still only theoretical hypothetical mythical or metaphorical accounts This book seeks to show how the theories and hypotheses play out pragmatically in real time and space how the myths come alive in flesh and spirit how the metaphors become the very things they symbolize How does daily life look from inside someone in the throes of awakening How does she know who or what she is How is her destiny revealed How do seemingly ordinary mundane events become miracles This book begins to answer those questions A Journey Toward Peace Susanne Squires, 2011-07 The author of this book is the founder of Vine Divine

**Mindanao: The Long Journey To Peace And Prosperity** Paul Hutchcroft, 2018-02-14 Across more than four decades the conflict between the national government and Muslim liberation forces in the southern Philippines has killed tens of thousands and displaced millions Two landmark agreements under the presidency of Benigno S Aquino III the first in 2012 and the second in 2014 raised high hopes that peace might finally be on the way But the peace process stalled and has yet to regain momentum after a botched counterterrorism operation in early 2015 This volume provides both in depth examination of the latest stage of a still ongoing peace process as well as richly textured analysis of the historical political and economic context underlying one of the most enduring conflicts in the world It is thus an extremely important foundational resource in the continuing quest for peace and prosperity in Mindanao

From Pieces to Peace Regina Barley, 2022-06-24 I had an aunt who had dementia If you have ever taken care of anyone with dementia you know that they lose touch with reality My aunt had a habit of doing the opposite of everything we asked her to do Her stubbornness could really work my patience Just when I thought she had pushed me to my limit and I didn t know how much more I could take she would look at me out of the blue and say Everything s all right Since her passing I have learned to take comfort in these words She usually spoke them in the midst of what seemed to me like pure chaos Yet she was able to find some semblance of tranquility From Pieces to Peace describes my journey to figuring out for myself that no matter how chaotic things around me may seem everything is truly always all right
