## **Joy For Beginners Erica Bauermeister:**

**Joy For Beginners** Erica Bauermeister, 2011-06-09 From national bestselling author of Reese Witherspoon's Book Club pick *The Scent Keeper* comes a beautifully crafted novel about daring to experience true joy starting one small step at a time. Having survived a life-threatening illness, Kate celebrates by gathering with six close friends. At an intimate outdoor dinner on a warm September evening, the women challenge Kate to start her new lease on life by going white water rafting down the Grand Canyon with her daughter. But Kate is reluctant to take the risk. That is until her friend Marion proposes a pact: if Kate will face the rapids, each woman will do one thing in the next year that scares her. Kate agrees with one provision: she didn't get to choose her challenge, so she gets to choose theirs. Whether it's learning to let go of the past or getting a tattoo, each woman's story interweaves with the others, forming a seamless portrait of the power of female friendships. *Joy for Beginners* takes us on the emotional journeys of seven women seeking to transform their lives and proves that sometimes what we really need to inspire us to change is a good firm shove.

Garth Stein, author of *The Art of Racing in the Rain*      *The Lost Art of Mixing* Erica Bauermeister, 2013-11-05 National bestselling author of Reese Witherspoon's Book Club pick *The Scent Keeper*, Erica Bauermeister returns to the enchanting world of *The School of Essential Ingredients* in this luminous sequel. Lillian and her restaurant have a way of drawing people together. There's Al, the accountant who finds meaning in numbers; Chloe, a budding chef who hasn't learned to trust after heartbreak; Finnegan, quiet and steady as a tree who can disappear into the background despite his massive height; Louise, Al's wife whose anger simmers just below the boiling point; and Isabelle, whose memories are slowly slipping from her grasp. And there's Lillian herself, whose life has taken a turn she didn't expect. Their lives collide and mix with those around them, sometimes joining in effortless connections, at other times sifting together and separating again, creating a family that is chosen, not given. A beautifully imagined novel about the ties that bind and links that break, *The Lost Art of Mixing* is a captivating meditation on the power of love, food, and companionship.
