questions is the same in all NCLEX exam review books because only this book includes the kinds of questions that consistently test the clinical judgment skills necessary to pass today's NCLEX exam. Even better, all answers include detailed rationales to help you learn from your answer choices as well as test-taking strategies with tips on how to best approach each question. Written by the most trusted names in NCLEX review, Linda Anne Silvestri and Angela Elizabeth Silvestri, this is THE book of choice for NCLEX preparation. But don't just take our word for it; read any customer review or ask your classmates to see why there's nothing else like it. More than 5,700 practice questions in the text and on the Evolve website offer ample testing practice. UNIQUE Detailed test-taking strategy is included for each question, offering clues for analyzing and uncovering the correct answer option with rationales provided for both correct and incorrect answers. UNIQUE Pyramid Points icons indicate important information identifying content that is likely to appear on the NCLEX RN examination. UNIQUE Pyramid Alerts appear in red text and highlight important nursing concepts and identify content that typically appears on the NCLEX RN examination. UNIQUE Priority Concepts: two in each chapter discuss important content and nursing interventions and reflect the latest edition of Giddens' Concepts for Nursing Practice text. UNIQUE Priority Nursing Action boxes provide information about the steps you will take in clinical situations requiring clinical judgment and prioritization. UNIQUE Audio review summaries on Evolve cover pharmacology, acid-base balance, and fluids and electrolytes. New graduate's perspective is offered on how to prepare for the NCLEX RN in addition to nonacademic preparation: the CAT format and test-taking strategies. Mnemonics are included to help you remember important information. Alternate item format questions cover multiple response, prioritizing, ordered response, fill in the blank, figure illustration, hot spot, chart exhibit, video, and audio questions. 75-question comprehensive exam in the book covers all content areas in the book in the same percentages that they are covered on the actual NCLEX RN test plan. Practice questions on Evolve are organized by content area, cognitive level, client needs area, integrated process, health problem, clinical judgment, and priority concepts, allowing completely customizable exams or study sessions.

Instructional Strategies for Middle and High School Social Studies Bruce E. Larson, 2016-08-10. Instructional Strategies for Middle and High School Social Studies: Methods, Assessment, and Classroom Management is an exciting, methods-based text that integrates appropriate management and assessment techniques with seven distinct teaching strategies. Writing explicitly for pre-service social studies teachers, veteran teacher educator Bruce E. Larson offers detailed descriptions of a range of instructional strategies along with guidelines for deciding how and when to use each. Part I offers the foundations for teaching and learning in a social studies classroom and explores contextual, theoretical, and policy factors that all teachers need to consider before entering the classroom. Part II delivers a range of comprehensive strategies for providing instruction that is appropriate for particular lessons, student abilities, and classroom environments. The practical strategies in Part II build upon the learning theories described in Part I, positioning Instructional Strategies for Middle and High School Social Studies to be the go-to, all-inclusive teacher's guide to the social

studies classroom New to this Edition A list of goals before each chapter presents an overview of the chapter's content focus and provides an outline for the chapter review Extensively revised Part I chapters 1-4 provides an updated review of national standards developed for teaching history geography civics and economics In depth applications of the Common Core State Standards for the social studies are also explored New Reality Check feature provides directions for integrating field based experiences into the chapters and contextualizes the ideas in the book for a classroom setting Each chapter in Part II chapters 5-11 has been expanded to include a section labeled Enhancing Student Learning with Technology offering websites links and other resources for integrating recent technologies into the classroom Chapters 5-11 include a new Making Your Lesson More Meaningful for ELLs feature which provides ideas based on current research and theories about learning language for engaging ELLs specific for each instructional strategy Expanded discussion of the Understanding by Design model equips teachers to design learning experiences that promote student understanding by intentionally designing what happens in the classroom and developing authentic formative assessments of student learning
