Chapter One The Purity of Wishes The Great Library stands silent and deserted awaiting the dawn The clay tablets sleep in their racks no one reads their histories no one sings their songs Better to let them sleep until they've seen the morning sun for who knows what dreams they dream I was dreaming when the father woke me Something vivid but it's mostly slipped away now I was home and I'm sure everyone was much younger We were playing hide and seek hiding behind glammers A loud shriek meant my sister had been found but I was still safe and waiting with that little thrill of anticipation The father sits beneath a fading reading light tottering piles of tablets to either side He's a young one with a full head of hair and no father's belly yet He doesn't look up at my charm light and I'm not going to disturb a father who's reading without a very good reason I stand in front of him and wait in a resting form It would be nice to be able to sleep here like this until the dawn I've used glammers for looking wide awake while secretly drowsing but I've never heard of a charm for sleeping standing up That's a pity He looks up at me He's not too bad to look at though his nose is too big I take my moment and genuflect to him Father Kai I was woken I say I was asked to come to you in the library He flicks a glance up and down me like a man sometimes does with a woman he's just met and likes but that can't be his reason and anyway his face is too solemn One thing's for sure this father doesn't like what he's seeing I look down embarrassed What's your name he asks I didn't ask for me father You he asks No squire I take it you are a squire It seems I'm in need of a squire's help Yes father I'm a squire My name is Chloe His face softens a little but I don't think it's for me I've seen that look before when I say my name he'll be remembering the Song of Chloe Sit down Chloe he says You've heard a Temple page is missing Yes father I sit on the bench opposite his And do you know how she's missing They say They he interrupts Other squire's father They say you're all worried that it's a I don't finish I don't want to say the name of the thing we fear Yes we are he says Oh I see It's true I'd thought this was only another silly Temple rumor I can't help looking beyond him into the pre-dawn shadows of the library I'm sure there couldn't ever be something like that Not here But still I look
