## Starter

What words would you use to describe Lady Macbeth in the play so far?

How much does Lady Macbeth know about what Macbeth has been plotting?

When was the last time we saw Lady Macbeth in the play?

Has Lady Macbeth achieved everything she wanted?

## Context

During Shakespeare's life two monarchs reigned in England: Queen Elizabeth I (reigned 1558-1603) and King James I (reigned as James VI in Scotland from 1567 and then as James I in England and Ireland from 1603-1625).

Elizabethan and Jacobean society was very different to how society is structured today. There was a strict hierarchy of importance, with the Church right at the very top. People believed in the **divine right of kings** – they thought that God had chosen the monarch, and that he (or she) was acting out the will of God. There was no parliament, and people did not get to vote on what they wanted for society – everything was decided by the monarch and their counsellors.
