Matthew Muddles Through Matthew In The Middle Volume 1:

Matthew Arnold Carl Dawson, John Pfordresher, 2013-10-31 The Critical Heritage gathers together a large body of critical sources on major figures in literature Each volume presents contemporary responses to a writer's work enabling students and researchers to read for themselves for example comments on early performances of Shakespeare's plays or reactions to the first publication of Jane Austen's novels The carefully selected sources range from landmark essays in the history of criticism to journalism and contemporary opinion and little published documentary material such as letters and diaries Significant pieces of criticism from later periods are also included in order to demonstrate the fluctuations in an author's reputation Each volume contains an introduction to the writer's published works a selected bibliography and an index of works authors and subjects The Collected Critical Heritage set will be available as a set of 68 volumes and the series will also be available in mini sets selected by period in slipcase boxes and as individual volumes

Asia-Pacific Trusts Law, Volume 1 Ying Khai Liew, Matthew Harding, 2021-08-26 At a time when Asia represents the fastest growing economic region there is no better moment to consider what trusts law can contribute to societal stability and economic prosperity This book does this by offering the first work that systematically explores trusts law across the region Many Asian Pacific jurisdictions have integrated and developed trusts law in their legal systems either through colonial heritage or statutory activism But the diversity of legal traditions and local contexts has resulted in trusts laws having a significantly varied impact across the region In the modern globalised world there is growing need to adopt an outward looking approach in dealing with matters of common interest This book answers this need by bringing together leading legal scholars and practitioners in the region to explore the theory and practice of trusts law contextualised to specific jurisdictions in the Asia Pacific Exploring 17

jurisdictions in Asia it brings both an academic and practitioner perspective to trusts law in the region

The Shepherd of Hermas as Scriptura Non Grata Robert D. Heaton, 2023-04-24 Composed within the first Christian century by a Roman named Hermas the Shepherd remains a mysterious and underestimated book to scholars and laypeople alike Robert D Heaton argues that early Christians

mainly received the Shepherd positively and accepted it unproblematically alongside texts that would ultimately be canonized requiring decisive actions to exclude it from the late emerging collection of texts now known as the New Testament Freshly evaluating the evidence for its popularity in patristic treatises manuscript recoveries and Christian material culture Heaton propounds an interpretation of the Shepherd of Hermas as a book meant to guide his readers toward salvation Ultimately Heaton depicts the loss of the Shepherd from the closed catalogue of Christian scriptures as a deliberate constrictive move by the fourth century Alexandrian bishop Athanasius who found it useless for his political theological and ecclesiological objectives and instead characterized it as a book favored by his heretical enemies While the book's detractors succeeded in derailing its diffusion for centuries the survival of the Shepherd today attests that many dissented from the church's final judgment about Hermas's text which portends a version of early Christianity that was definitively overridden by devotion to Christ himself rather than principally to his virtues

Combating London's Criminal Class Matthew Bach, 2020-07-09 The criminal class was seen as a violent immoral and dissolute sub section of Victorian London's population Making their living through crime and openly hostile to society the lives of these criminals were characterised by drunkenness theft and brutality This book explores whether this criminal class did indeed truly exist and the effectiveness of measures brought against it Tracing the notion of the criminal class from as early as the 16th century this book questions whether this sub section of society did indeed exist Bach discusses how unease of London's notorious rookeries the frenzy of media attention and a word deleted here panic among the general public enforced and encouraged the fear of the criminal class and perpetuated state efforts of social control Using the Habitual Criminals Bills this book explores how and why this legislation was introduced to deal with repeat offenders and assesses how successful its repressive measures were Demonstrating how the Metropolitan Police Force and London's Magistrates were not always willing tools of the British state this book uses court records and private correspondence to reveal how inconsistent and unsuccessful many of these measures and punishments were and calls into question the notion that the state gained control over recidivists in this period

Mary Jacqueline Orsini, 2000-09 Images of Mary as a mother and saint provide an historical and cultural view of how artists have perceived the mother of Jesus and depicted her in wood carvings mosaics statues and murals **The Works of Elizabeth Gaskell, Part I vol 7** Joanne Shattock, Angus Easson, 2017-09-29 Features Elizabeth Gaskell's work This work brings together her journalism her shorter fiction which was published in various collections during her lifetime her early personal writing including a diary written between 1835 and 1838 when she was a young mother her five full length novels and The Life of Charlotte Brontë **Notes of a Son and Brother and The Middle Years** Henry James, 2011-05-03 After a childhood divided between America and Europe Henry James settled with his family in New England first in what he regarded as an outpost of Europe Newport and later in Cambridge The family letters the initial inspiration for this autobiographical enterprise many of which recount the early career of William James at Harvard and in Germany also reveal

Henry James Sr's views on the intellectual philosophical and social issues of the time Henry Jr aspiring to be just literary acknowledges his indebtedness to the widely cultured artist John La Farge whose friendship he enjoyed during adolescence The Civil War is recorded through the letters of his younger brother Wilky while Henry recalls a Whitmanesque longing for the Union soldiers he met and talked to The death of a beloved cousin Mary Temple who would become the inspiration for some of his greatest fictional heroines is documented through the passionate questioning letters she wrote in her final year of life In The Middle Years James newly resident in London gives his impressions of some of the literary lions of the time most notably George Eliot and Tennyson This first fully annotated critical edition of Notes of a Son and Brother and The Middle Years both offers the reader extensive support in appreciating the demands of James's late prose and illuminates the context in which one of literature's most influential figures developed a characteristic voice

The Gladstone Diaries: Volume 10: January 1881-June 1883 W. E. Gladstone, 1990-03 The tenth and eleventh volumes of Gladstone's diaries 1881-1886 cover the years of his dramatic second and third administrations The second administration confronted a series of crises the Land League Campaign and the Phoenix Park murders Majuba Hill and South Africa Gordon and the Sudan and the obstruction of franchise reform by the House of Lords The administration met these with determined assertion of administrative and legislative reforms more coherent in policy and more consistent in practice than is often realized Gladstone's third administration in 1886 attempted to pacify Ireland by granting Home Rule and in doing so provided one of the most exciting and controversial twelve months in British politics since the Civil War These volumes include not only the daily text of Gladstone's private diaries maintained almost without a break but also all of his Cabinet Minutes hitherto unpublished and themselves a remarkable and for the Victorian period unique diary of decision making There are over 1400 of the letters the vast majority hitherto unpublished which he wrote in those years These letters flesh out the daily diary and the Cabinet Minutes and cover the Church the Queen and the Court literature theatre art and domestic affairs There is much material in these volumes on Gladstone's unsuccessful but repeated attempts to retire from political office The volumes offer an extraordinary narrative of great force a remarkable mixture of achievement and disappointment of bold legislation and administrative and political disasters They display some of the innermost thoughts of an astonishing political personality which mesmerized contemporaries and has continued to fascinate historians and general readers
