Home Power, 2006 **The Woo-Woo** Lindsay Wong, 2018-11-13 In this jaw dropping darkly comedic memoir a young woman comes of age in a dysfunctional Asian family whose members blamed their woes on ghosts and demons when in fact they should have been on anti psychotic meds Lindsay Wong grew up with a paranoid schizophrenic grandmother and a mother who was deeply afraid of the woo woo Chinese ghosts who come to visit in times of personal turmoil From a young age she witnessed the woo woo s sinister effects at the age of six she found herself living in the food court of her suburban mall which her mother saw as a safe haven because they could hide there from dead people and on a camping trip her

mother tried to light Lindsay's foot on fire to rid her of the woo woo. The eccentricities take a dark turn however when her aunt suffering from a psychotic breakdown holds the city of Vancouver hostage for eight hours when she threatens to jump off a bridge. And when Lindsay herself starts to experience symptoms of the woo woo herself she wonders whether she will suffer the same fate as her family. On one hand a witty and touching memoir about the Asian immigrant experience and on the other a harrowing and honest depiction of the vagaries of mental illness. *The Woo Woo* is a gut wrenching and beguiling manual for surviving family and oneself.
