**The Heart of Torah, Volume 1** Shai Held, 2017-09-01 In *The Heart of Torah* Rabbi Shai Held's Torah essays two for each weekly portion open new horizons in Jewish biblical commentary Held probes the portions in bold original and provocative ways He mines Talmud and midrashim great writers of world literature and astute commentators of other religious backgrounds to ponder fundamental questions about God human nature and what it means to be a religious person in the modern world Along the way he illuminates the centrality of empathy in Jewish ethics the predominance of divine love in Jewish theology the primacy of gratitude and generosity and God's summoning of each of us with all our limitations into the dignity of a covenantal relationship

**Misguided Love** Charles Fensham, 2019-11-01 The invitation of this book is for my readers who are Christian to consider the dimension of harm in the ongoing debates on affirming or not affirming sexual and gender minority Christians within church communities Much has been said and much is written on biblical interpretation and Christian traditions of teaching There are also many arguments on the issue of justice and equality that have been made for and against the affirmation of sexual and gender minorities Here I bring evidence of the history of harm and the infliction of harm on sexual and gender minority Christians In South Africa my country of origin I lived through the apartheid era and experienced first hand how biblical teaching can be used in pious ways to exploit discriminate and kill people Presently and in the past similar things happen to sexual and gender minority Christians When we discover that we do harm we must stop

[Christianity in Central Tanzania](#) Mwita Akiri, 2020-02-14 In the telling of the history of the Church Missionary Society CMS in Tanzania the initiatives contributions and experiences of indigenous teachers have too often been neglected in favour of stories of sacrifices of Western missionaries Bishop Mwita Akiri redresses this bias by using a socio historical approach written from an Afro centric tradition to evaluate the contributions and experiences of indigenous agents in the growth of Christianity in Tanzania This book underscores the significance of oral tradition in African historiography and challenges the claim that foreign missionaries succeeded in destroying African cultures when they are in fact alive and well This much needed research also provides a model for dialogue between the perspective of Christian missions and that of African religious and social heritage in order to continue forward with a Christianity that is authentic and also distinctly African

Leske, 2017-10-06 Using the method of intertextuality Adrian Leske has traced the growth of the prophetic vision from Amos to the Exile demonstrating how after the Exile the dominant influence on that vision down to the time of Jesus is the positive and new message of Deutero Isaiah With opposition from the Zadokite priesthood and exploitation from foreign rulers the prophetic and Levite communities find refuge in Upper Galilee and surrounding areas Using the Gospel of Matthew the most Jewish of the Gospels Leske demonstrates how that vision impacted the teaching of Jesus to these communities and how he perceived his mission as the Servant Son of man Understanding this prophetic vision and the Jewish nature of Matthew's Gospel brings new insights to Matthean Christology as well as the authorship and date of that Gospel in relation to the other Gospels      The French Broad-Holston Country ,1972      **"The" Athenaeum** ,1896      Feasting on the Word: Year C, Volume 2 David L.
