The Tiger's Revenge

Evan Morris,2023-08-31 Since the end of the Second World War this audacious operation has remained little known amongst the public or military in the United Kingdom It was an incredible endeavour executed by British and Australian service personnel The deepest surface waterborne penetration behind enemy occupied lines undertaken by special forces of WW2 This hand picked band of men would achieve what some thought to be impossible a major strike at the very heart of the Japanese in their newly acquired Empire in South East Asia This story ranks and deserves the same acknowledgment as exploits such as the Dambusters or Cockleshell Heroes In the words of British Generals and US Admirals and Commanders it achieved what everyone thought was impossible without loss and with the minimum expenditure of resources A terrible twist in the tail is that by not using the success of the mission as a propaganda victory as had been intended by Jaywick's commanders a terrible price was paid by local Singaporeans who were scapegoated by the Japanese Secret Police This is perhaps the reason that Operation Jaywick was never hailed with the success it truly deserved The highly effective delivery of Operation Jaywick gave a green light to an even more ambitious endeavour from which no British or Australian personnel

would survive many being executed beheaded by their Japanese captors The Tiger s Revenge is the story told by the son of a Special Operations Executive crew member who was the only British survivor of Operation Jaywick Storymen Hannah Rachel Bell,2009-11-04 What do the artistic works of acclaimed author Tim Winton and eminent Ngarinyin lawman Bungul David Mowaljarlai have in common According to Hannah Rachel Bell they both reflect sacred relationship with the natural world the biological imperative of a male rite of passage an emergent urban tribalism and the fundamental role of story in the transmission of cultural knowledge In Bell s four decade friendship with Mowaljarlai she had to confront the cultural assumptions that sculpted her way of seeing The journey was life changing When she returned to teaching in 2001 Tim Winton s novels featured in the curriculum She recognised an eerie familiarity and thought Winton must have been influenced by traditional elders to express such an indigenous perspective She wrote to him This resulted in 4 years of correspondence and an excavation of converging world views exposed through personal memoir letters paintings and conversations and culminating in *Storymen* *Silver Wings, Iron Cross* Tom Young,2020-05-26 A gripping WWII thriller in the bestselling vein of Ken Follett Daniel Silva and Jack Higgins that draws on the author Tom Young s military expertise to create a edge of your seat WWII thriller Lieutenant Karl Hagan earned his wings the hard way But when his plane is shot down behind enemy lines he s forced to make the hardest decision of his life trusting the enemy Oberleutnant Wilhelm Albrecht wore his Iron Cross with pride But when his U boat is attacked in a devastating air raid he abandons ship and finds an unlikely ally the pilot who bombed him It is November of 1944 The tides of war have turned Allies have taken back France and German troops have retreated But for Karl and Wilhelm the war is far from over Each must be prepared to lie for the other fight for the other or die with the other But their short lived alliance won t truly be put to the test until they reach the end of the line inside a POW camp A rip snorting adventure story Two men on opposite sides of the global hostilities are thrust together by wartime fates and forced to trust and help each other for their mutual survival If you read only one story about World War II this is a great one to choose New York Journal of Books *Blackwood's Edinburgh Magazine* ,1859 **Travel** ,1914 **The London Quarterly Review** ,1853 Travel Magazine ,1914 *The Quarterly Review* ,1853
