

Caring for your pet

RABBIT

Quick Care Facts

Determine if a rabbit is the right pet for you

Life Span (Years)	Interaction/ Sociability	Experience Level of Owner	Special Diet Requirements	Recommended Owner Age
7-10	medium	intermediate	high fiber (14-17%)	older children - adults

Habitat

Rabbits should have a safe and secure habitat away from drafty areas that has enough room to include a hideout and a litter box. Rabbits love extra room to roam so they will benefit from a play yard that is a safe and secure exercise area. Your Rabbit's cage should be cleaned thoroughly on a weekly basis, or more.

Diet

Rabbits are considered herbivores in nature which means they primarily feed on grasses and plants. As household pets, make sure to feed diets high in fiber to support their overall health. Kaytee® fortified foods are uniquely formulated to ensure your Rabbit gets all the nutrients it needs to be healthy and happy. Kaytee® packaged treats are ideal for playtime and perfect for interacting and bonding with your pet Rabbit. Also, make sure to provide fresh water daily and unlimited Timothy Hay!

Fun Facts

- Rabbits are crepuscular which means they are most active at dawn and dusk.
- Rabbits are pretty smart, they can be trained to go to the bathroom in a litter box!
- If a Rabbit is younger than 6 months (juvenile) it is recommended they eat Alfalfa Hay.
- If a male and female are housed together, they can have litters of 4 to 10 bunnies.
- As pets, same-sex pairs work well if spayed or neutered.
- Rabbit's teeth continue to grow so chew sticks and toys for nibbling keep them trimmed.

Kaytee® products are the total solution to any rabbit needs. Learn more at kaytee.com or stay in touch with our newsletter & remember to follow us on:
