Zombella: Alexandria The Noble Lion, I am the princess of the zombies They call me Zombella When we became zombies the first human I ate was my boyfriend The prince of the kingdom of Kingly My father knew what we were at that moment and he named us the zombie Zombies we were and zombies we are When life left me I felt like I had no experience but life consists more of than just a beating heart For my heart no longer beats and I have fallen in love again Before I pursue the passion I have found in this man in this boy I must remember my past The war among man and zombie that occurred because of loves hunger A thirst for love I could not quench until I ate him
