

The background of the book cover is a microscopic view. It features numerous red blood cells, which are biconcave and colored in a vibrant red. Interspersed among these are several blue, spherical virus-like particles. These particles have a textured, bumpy surface and several long, thin, spike-like projections extending from their periphery. The overall lighting is dramatic, with a gradient from dark blue at the bottom to a lighter, more orange-red at the top, creating a sense of depth and highlighting the cellular structures.
