Wysong, 2010-12-21 As profound as relevant as funny as you are teenagers still listen to each other more than to an adult youth worker You may grimace but you can t deny it students talking to each other usually means more to them than adults talking to them The Student Leadership Training Manual helps you equip your senior highers for leading their peers and taking charge of as much of the ministry as they want or are able helping and evangelizing their peers organizing ministry teams planning and executing their own youth ministry programming Here are 31 training sessions for discipling student leaders in a small group setting sessions that start in the Bible and reach deep into teenagers experience ready for you to implement a clear and effective program that trains your students for higher levels of leadership regardless of where they are now Plus 24 pages just for you a veritable primer on how to cultivate student leadership The role of adults Authority vs responsibility Setting student leaders up for success Teaching students not just the whats but the whys and hows Helping them discover their spiritual giftedness Perfect for youth workers CE directors associate pastors and small group leaders anyone who works with a youth group s core kids Ministry Training Academies Mick Schultz, 2016-03-22 Ministry Training Academies are dynamic ministries that train and release children to do ministry They provide children with a unique

opportunity to learn ministry through hands on experience Ministry Training Academies also help to fulfill the purpose of the local church Given that children make up approximately 25% of the church population it would be unlikely for a church to fulfill what God has called it to do unless children are engaged in helping fulfill that purpose Can you imagine if every evangelical church equipped and released their children in ministry Not only would there be radical changes in the church of Jesus Christ there would be changes in homes schools and neighborhoods Children who walk in newness of Christ as a believer AND partner with Him in ministry will have a profound impact in their world Let s stop doing ministry to our children and begin a chapter in church history where we begin doing ministry WITH children
