WJEC LEVEL 3 CRIMINOLOGY UNIT 1 EXAM

ACL1 Analyse two different types of crimes

One crime that is deemed evident in the brief is domestic abuse. The following offences committed are psychological abuse and coercive behaviour. The victims in this case are Mr Jones and his two sons. In domestic abuse, the probable offender would be a female partner, ex-partner or a family member within a household. Offenders are likely to be those who do not like it when they don't get their way. Furthermore, its level of public awareness is in an overall low, as its easy to conceal due to it being in a household environment, leaving many cases unreported. Only major cases are ever covered and reported by the media. Domestic abuse is both criminal and deviant as it goes against the norms of society and causes psychological and physical harm to an individual. An example case study relating to domestic violence is Clare Woods, who was murdered by her ex-boyfriend whom not only raped her but also strangled her, then went in further to set her body up her on fire.

Another crime that is deemed evident in the brief is technological and hate crime. The offences made are cyberbullying an individual who falls under the five strands. The victim in this case would be Matthew as he is the one being verbally harassed for his disability. The offenders would be certain individuals in his college and cyber bullies on Facebook. Usual victims would be individuals who are somewhat vulnerable physically or mentally and the offence would usually be done by someone holding some form of prejudicial view against someone falling under the five strands. The level of public awareness is relatively high, especially nowadays, there are a heavy load of campaigns to spread awareness and offer help for victims. An example case study of a victim who was affected by technological crime is Molly McLaren, as she received constant online abuse from her ex-boyfriend. It is both criminal and deviant as it goes against the norms of society as well as it being a form of harassment.
