

Character Traits

can be inferred by analyzing...

Feelings

When Seth saw the pile of junk, a feeling of excitement bubbled up inside him. He couldn't wait to begin building the object he was imagining.

We can infer that Seth is **creative**.

Actions

Brandon glanced at his math assignment and sighed. It would take too long to do these five story problems. He quickly scribbled some random numbers on the lines and slammed his book shut. Done.

We can infer that Brandon is **lazy**.

Dialogue

"This is how we're going to split the work," Daniela said sternly. "I'll work on the poster while you two work on what we're going to say for the presentation."

We can infer that Daniela is **bossy**.

Thoughts

Kelly wondered what would happen if she told her *dad* that her mom said the sleepover was okay, and if she told her *dad* that her mom had already approved the sleepover. Kelly grinned. *I think it will work!*

We can infer that Kelly is **devious**.
