

# PRAYER FOR GRADUATES

## LET ME BE A BLESSING

Thank You, Lord, for Your guidance and grace through my years on campus. I'm thankful to You for taking care of me in school. I'm thankful that

I've been able to complete my course successfully. I'm thankful that today, I'm a graduate. Thank You so much, Lord. Thank You for Your protection for all my days on campus.

I pray for more protection as I approach the world as a graduate. Please teach me to number my days and protect me in all my ways. I pray that You please continue blessing me with good health both physically and mentally. Take away any ailments and weakness from me Lord. As I approach the world today, I pray for You to lead me on this journey. Lord, order my steps and make everything work out for my good. Let me be a blessing to everyone that I encounter. Let me be a blessing to the world in Jesus' name,

*Amen*

**The Life Of Rah** Rahimah S. Phillips, 2022-01-15 Have you ever thought that you found the love of your life only to find out that he wasn't? Have you ever thought that your only child would be your one saving grace only to find out that he wasn't? Have you ever thought that the one man in your life, the only man that you've ever known as a father, would be there to protect you forever only to find out that he wasn't? Have you ever wished for the perfect mother only to find out that she wasn't or the perfect family only to find out that that they weren't? Have you ever felt like you just want to be normal only to find out that you aren't? Have you ever felt all alone in the world only to find out that there are others who feel the same way? Have you ever felt like you wanted to die only to realize that you have so much to live for? Rahimah shares this compelling story about her life as an amazing young Black girl who came of age when she was a daughter, a granddaughter, a motherless child, and a mother. Take this journey with her as she attempts to walk by faith while learning how to live with love and hate while coping with life and death while seeking to understand race and religion while determining the difference between truth and lies and while overcoming trials and tribulations. Throughout her life, Rahimah has struggled with fear, rejection, and abandonment. This is a story about vulnerability, insecurity, sexuality, and spirituality. This is a story about being torn between loyalty and integrity and choosing between self-destruction and self-awareness. This is a story about determination and inspiration. Everyone has a story. This is Rahimah's story. This is her life. *The Life of Rah*.

Rosemary C. Salomone, 2008-10-01 DIV At no time in the past century have there been fiercer battles over our public schools than there are now Parents and educational reformers are challenging not only the mission content and structure of mass compulsory schooling but also its underlying premise that the values promoted through public education are neutral and therefore acceptable to any reasonable person In this important book Rosemary Salomone sets aside the ideological and inflammatory rhetoric that surrounds today's debates over educational values and family choice She offers instead a fair minded examination of education for democratic citizenship in a society that values freedom of conscience and religious pluralism And she proposes a balanced course of action that redefines but does not sever the relationship between education and the state Salomone demonstrates how contemporary conflicts are the product of past educational and social movements She lays bare some of the myths that support the current government monopoly over education and reveals how it privileges those of economic means Through a detailed case study of recent controversy in a suburban New York school district the author explores the legal and policy issues that arise when widely disparate world views stand in the way of political compromise on educational materials techniques and programs Salomone builds a case for educational governance that places the developmental needs of the child at the center of family autonomy She advances a plan that respects diverse values and visions of schooling while preserving the core commitments that bind our nation div **Elementary Spanish**

Giroux, 2003-04-19 Henry Giroux continues his critique of the US political and popular culture's influence on the lives of our children. In his controversial new book Giroux argues that the US is at war with young people. No longer seen as the future of a democratic society youth are now derided by politicians looking for quick fix solutions to crime and demonized by the popular media. This perception of fear and disdain is being translated into social policy. Instead of providing a decent education to young people we offer them the increasing potential of being incarcerated. Instead of guaranteeing them decent health care we serve them more standardized tests. There's a war on in the US these days and Giroux sees our youth as the target. *Current Index to Journals in Education*, 2001
