

An aerial photograph of a landscape. In the foreground, a wide, light-colored river or dry riverbed flows from the bottom left towards the center. To the right of the river, there are several rectangular fields in shades of brown and tan. In the background, a line of dark green trees separates the fields from a hilly, forested area under a warm, yellowish sky. A large, dark, circular object, possibly a lens or a shadow, is visible on the right side of the image.
