The early mornings that my mother prepares our breakfast; the sleepy faces of my sisters and younger brother as I wake them up; the travelling from Balsik to Sta Isabel; the energetic approaches of our instructors in every subject. The recess and the lunch breaks – They are all a part of my school routine. Taking notes from lectures; making assignments and reviewing previous lessons, submitting projects and passing our quizzes and exams – These are the crucial times of being a learner. Attending our classes together with my fellow students; making new friends and avoiding quarrels; and enjoying our daily school activities with my classmates. All of these are the main reasons why we are here right now. The journey to this very moment is not an easy ride. There are many twists and turns, rough roads, and obstacles but as we go along with the ride, with the help of our teachers, friends, and families, we now reached our destination. We thank you all for this wonderful journey.

It was a very joyful learning experience, and I'm sure it will be better for our students in the future.

To my friends, Thank you for your never-ending laughter and sacrifices that helped me to be true to myself and to be open to everyone as my friend. To my teachers, thank you for the knowledge and patience. This day will not be special without your hard work in teaching us academics and how to be a good citizen.
