Tractatus Logico-Philosophicus Ludwig Wittgenstein, 2013-08-22 Ludwig Wittgenstein is one of the greatest and most fascinating philosophers of all time His *Tractatus Logico Philosophicus* composed in a series of remarkable numbered propositions was the only book he published in his lifetime He tackles nothing less than the question of whether there is such a thing as a logically perfect language and armed with it what we can say about the nature of the world itself Pushing the limits of language logic and philosophy the *Tractatus* is a brilliant cryptic and hypnotic tour de force exerting a major impact on twentieth century philosophy and stirring the imagination today With a new foreword by Ray Monk *The Adventures of Margery Allingham* Julia Jones, 2009 This biography was researched in the very room where Margery Allingham worked and was written with the full co operation of Margery s sister her secretary and her housekeeper It was first published in 1991 Since then however new material has become available including a revelatory collection of letters and the startling truth about her husband s relationship with the writer Nancy Spain Was there a corpse underneath the sofa The book s new title new introduction and afterword invite the reader to look again *The Adventures of Margery Allingham* is a new edition of Margery Allingham a Biography published by William Heinemann Ltd in 1991 **Jerzy Grotowski's Journeys to the East** Zbigniew Osinski, 2023-05-31 Jerzy Grotowski s *Journeys to the East* is an unusual collection of facts quotations and commentaries documenting the real and metaphorical journeys of the Polish theatre director and teacher of performers into a geographical and cultural dimension which we used to and still call the Orient Grotowski s contacts and meetings with the East are placed here in the context of his biography Painstakingly researched by Grotowski s main biographer Zbigniew Osinski this book is necessary reading for those interested in Grotowski s deep relationship with the East and in the inspiration he drew from its various cultures The book will appeal to all readers who feel a need to have a glimpse of the East from the perspective of one of the main theatre reformers in the twentieth century *Contemplating God Changing the World* Mario L. Aguilar, 2009-01-01 Mario Aguilar skillfully elegantly and clearly presents the life and thought of some of the major spiritual forces of our time as a starting point for his own compelling reflections on the relationship between contemplation and politics We need more books like this one Professor Ivan Petrella University of Miami Contemplation and political action defined the lives and work of six of the most inspiring Christian leaders of the twentieth century Thomas Merton Ernesto Cardenal Daniel Berrigan Sheila Cassidy Desmond Tutu and Mother Teresa Each one embraced a silent purposeful life of prayer contemplation and conversation with God which the author contends was the very foundation for their public activism Aguilar profiles these outstanding religious figures illustrating how their contemplation of God gave them courage and understanding not just to grow in personal holiness but to become one with God through responding to the needs of others It was their spiritual life that gave them the energy commitment and strength to help feed the hungry clothe the naked and liberate the oppressed even in the darkest most difficult times Yet as Aguilar shows it is not just a chosen few who are called

to combine prayer with political action through the regular contemplation of God all Christians can be empowered to work toward social transformation and a just world **Publication Fund Series** Rochester Historical Society,1927
