The 10th edition builds upon previous editions by offering new features designed to better engage students and support critical thinking. These include NEW Video Illustrations that bring the subject matter to life, NEW Vector Drawing Questions that test students' conceptual understanding, and additional multimedia resources, videos, and animations that provide an alternative pathway through the material for those who struggle with reading scientific exposition. WileyPLUS, sold separately from text, provides a comprehensive online learning environment.

Fundamentals of Physics, Extended David Halliday, Robert Resnick, Jearl Walker, 2013-08-05

The 10th edition of Halliday's *Fundamentals of Physics, Extended* builds upon previous issues by offering several new features and additions. The new edition offers the most accurate, extensive, and varied set of assessment questions of any course management program in addition to all questions, including some form of question assistance including answer-specific feedback to facilitate success. The text also offers multimedia presentations, videos, and animations of much of the material that provide an alternative pathway through the material for those who struggle with reading scientific exposition. Furthermore, the book includes math review content in both a self-study module for more in-depth review and also in just-in-time math videos for a quick refresher on a specific topic. The Halliday content is widely accepted as clear, correct, and complete. The end-of-chapter problems are without peer. The new design, which was introduced in 9e, continues with 10e, making this new edition of Halliday the most accessible and reader-friendly book on the market.

Fundamentals of Physics, Part 4 (Chapters 33-37) David Halliday, Robert Resnick, Jearl Walker, 2004-05-05

Finally, an interactive website based on activities you do every day. The new Halliday Resnick Walker 7e eGrade Plus program provides the value-added support that instructors and students want and need. Powered by Wiley's EduGen system, this site includes a vast array of high-quality content, including Homework Management. An Assignment tool allows instructors to create student homework and quizzes using dynamic versions of end-of-chapter problems from *Fundamentals of Physics* or their own dynamic questions. Instructors may also assign readings, activities, and other work for students to complete. A Gradebook automatically grades and records student assignments. This not only saves time but also provides students with immediate feedback on their work. Each student can view his or her results from past assignments at any time. An Administration tool allows instructors to manage their class rosters online. A Prepare and Present tool contains a variety of the Wiley-provided resources, including all the book illustrations, Java applets, and digitized video to help make preparation time more efficient. This content may easily be adapted, customized, and supplemented by instructors to meet the needs of each course.

Self Assessment A Study and Practice area links directly to the multimedia version of *Fundamentals of Physics*, allowing students to review the text while they study and complete homework assignments. In addition to the complete online text, students can also access the Student Solutions Manual, the Student Study Guide, interactive simulations, and the Interactive LearningWare Program. Interactive LearningWare leads the student step by step through solutions to 200 of the end-of-chapter problems from the text. And there's lots more. You'll need to see it to believe it.
