V. Wooster, 2025-03-19 Ever Worked for a Middle Finger Manager Let's Talk About It You know the type Middle Finger Managers MFMs for short They're not just bosses they're a lifestyle They strut into the office like they invented Mondays armed with a clipboard a bad attitude and the uncanny ability to take credit for everything except your overtime Here's the deal with MFMs They're ambidextrous That's right They can stab you in the back with either hand while simultaneously patting themselves on the back for YOUR work Impressive right And let's not forget their voices the kind that make you want to dive headfirst into the nearest white noise machine Their preferred tone Equal parts condescending and infuriating with just a dash of Did you even read the email They love buzzwords like synergy leverage and circle back but somehow every meeting they run feels like it's circling the drain And constructive criticism Oh that's their bread and butter You're not meeting expectations they'll say while conveniently forgetting that they set those expectations on fire five minutes ago But let's not dwell on their flaws we'd be here all day Instead let's talk about survival How do you deal with someone who manages to turn every task into a soul crushing saga 1 Smile like you mean it or don't Nothing confuses an MFM more than an employee who refuses to look defeated Keep them guessing 2 Take notes lots of notes Not for them for you Because one day you're going to need material for your own tell all book 3 Keep a stash of donuts They won't fix your MFM but they will fix your mood 4 Plan your exit strategy Because let's be real life's too short to work for someone who can't find the coffee machine let alone manage people If you've ever worked for an MFM drop your best or worst story in the comments Let's laugh cry and eat metaphorical donuts together And if you need

community To be able to describe the FECH s ecclesial narrative Bazzell develops a local ecclesiological methodology that aims to bridge the gap between more traditional systematic and theoretical ideal ecclesiology and practical oriented ecclesiology e g congregational studies in order to hold together theological and social understandings of the church in its local reality He articulates a theological framework for the FECH to reflect on who they are the essence of identity studies who they are in relationship to God the essence of theological studies and what that means for believers in that community as they relate to God and to each other in ways that are true to who they are and to who God intends them to be the essence of ecclesial studies The research provides a seldom heard empirical tour into the FECH s social world and communal identity The theological findings from the FECH s hermeneutical work on the Gospel of Mark reveal an understanding of church being developed as gathering around Jesus that creates a space for God s presence to be embodied in their ordinary relationships and activities and to invite others to participate in that gathering Moreover it addresses ecclesial issues of the supernatural world honor shame values and further develop the neglected image of the familia Dei in classical ecclesiology that encapsulates well the FECH s nature mission and place Hunger Games: Study Guide and Student Workbook
