Pressman, 2023-12-06 An Accessible Past helps historic sites overcome barriers to accessibility by clarifying what historic sites must do in order to be legally compliant in addition this edited volume provides case studies of creative ways visitors can engage with the museum while retaining the historic integrity of the places and spaces in question This book will help readers think outside the box when it comes to accessibility at historic sites regardless of their size or budget This book is for practitioners and students in the fields of public history and museum studies Offers practical and low cost ideas for increasing accessibility at historic sites while retaining the historic integrity of the places and spaces in question Provides an overview of legal obligations and ideas for making historic sites accessible Demonstrates how by being more accessible historic sites and museums will be able to invite new audiences to their locations strengthening the sustainability of these organizations and promoting the relevancy of history to more visitors than in the past Practical Social Work Law Siobhan E. Laird, 2014-05-01 Practical Social Work Law analysing court cases and inquiries presents legal issues associated with social work in an accessible format It approaches the law in a way that is less daunting and more engaging by examining actual court cases and public inquiries and explores the stories of real people and the legal and ethical dilemmas

practitioners will face The text adopts a problem centred approach to learning by introducing the reader to key aspects of the law through a series of real life situations it addresses basic principles regarding the operation of the law and explores the lessons for good practice Each chapter addresses a specific area of social work law including family breakdown safeguarding children youth justice adults with disabilities mental health and mental capacity Landmark cases cases drawn from the lower courts tribunals and ombudsman s decisions are included throughout presenting an accessible account of the application of the law Practical Social Work Law is an essential text for undergraduate postgraduate and recently qualified social workers who are wrestling with the complexity of the law and the professional dilemmas it poses for their practice This book is unusual for a law book in that it is not only a reference book but also a very readable volume It is set out clearly and provides a sound basis for student social workers new to the law and a refresher for qualified practitioners Catherine Poulter RSW Integrated Community Services Carmarthenshire County Council

Coal Miners' Wives Carol A.B. Giesen, 2021-12-14 Few people in America today live with the dangers and deprivations that Appalachian coal mining families experience But to the eighteen West Virginia women Carol Giesen interviewed for this book hard times are just everyday life These coal miners wives ranging in age from late teens to eighty five tell of a way of life dominated by coal mining and shadowed by a constant fear of death or injury to a loved one From birth to old age they experience the social and economic pressures of the coal mining industry Few families in these communities earn their living in any job outside a coal mine and most young men and women find no advantage in completing their education Women whose stresses and strengths have seldom been disclosed reveal here their personal stories their understanding of the dangers of coal mining their domestic concerns the place of friends and faith in their lives and their expectations of the future What emerges is a deeply moving story of determination in the face of adversity Over and over these women deal with the frustrations caused by strikes layoffs and mine closings often taking any jobs they can find while their husbands are out of work Endlessly their home concerns revolve around protecting their husbands from additional work or worry Always there is fear for their husbands lives and the pervasive anger they feel toward the mining companies For some there is also the pain of losing a loved one to the mines Behind these women s acceptance of their circumstances lies a pragmatic understanding of the politics of mining and of the communities in which they live Giesen s insights into the experiences of miners wives contribute much to our understanding of the impact of industry economics and politics on women s lives
