Kabbalah The Power To Change Everything:

Kabbalah Yehuda Berg,2009 From best selling author and noted teacher and speaker Yehuda Berg comes a thought provoking call to action on our current global crisis. Positing that our collective abdication of responsibility in every facet of our lives including business and the economy, the environment, government and politics, healthcare, education and religion has contributed to the problems and challenges we face, Berg asserts that taking responsibility for our actions or lack thereof and their consequences is the key to achieving change for the better. Berg urges readers to access the power within each of us using the principles of Kabbalah in order to create the consciousness shift required for lasting positive change. *The Power of Kabbalah* Yehuda Berg,2010-09 *Kabbalah The Power to Change Everything* Portuguese is a progressive manual for daily life to awaken consciousness and create personal and global change. Yehuda Berg examines the problematic areas of politics, religion, environment and economy and demonstrates how everything, no matter how bleak, can be transformed by shifting our minds. Writing in a smart, concise and sometimes irreverent manner, Yehuda urges us to take responsibility because every action we perform in the present creates a quantum effect. This book drives home the uncomfortable truth that global challenges are opportunities for individual change. Change your mind and change our world. [The Inner Pulse](#) Marc Siegel,2011-03-10 Understanding the secret code of illness and health. Many doctors overlook the seemingly inexplicable tragedies and recoveries that happen in hospitals every day, opting to view them simply as aberrations from the medical norm. In this book, Dr. Marc Siegel draws from his decades of experience treating patients and explores the sometimes miraculous effects that the spirit and emotion can have on disease and healing. The inner pulse is the essence that links the soul to the mind and body, the marker that predicts whether a person's life force is fading or strengthening. This book shows you how to tap into your inner pulse and even how to influence it. Explores how your inner pulse can alert you to what is going on in your body. Offers a new perspective on the positive and negative effects of the mind on illness and healing. Includes dramatic case stories of Dr. Siegel's work with his own patients, those who have healed and those who have not. Exploring the uncanny world where expectation and outcome are driven by a patient's personal intuition, this book will give you a deeper understanding of how the mind relates to disease and how the mind and the body working in sync can help heal. [A Practical Handbook to Masonic Communication](#) R. Jones,2013-04-26 We experience conflict in every aspect of life; this is the human condition. Often the method with which we communicate with others is the catalyst for much of the conflict we experience, whether that was our intent or not. This handbook is designed to provide the reader with various communications skills that are easy to understand, easy to apply, and if applied properly, will greatly reduce the incidences of conflict. The techniques taught in this manual can greatly reduce the level of conflict in the Lodge as well as at home and the workplace. **AARP The Inner Pulse** Marc Siegel,2011-12-19 AARP Digital Editions offer you practical tips, proven solutions, and expert guidance.
