Introduction When Indian history writer Vinayak Chandra Datta wrote the Kama Sutra a few thousand years ago there was no way he could have anticipated the market his work would have in the world Now the word Kama Sutra are a synonym for sex A number of outlets have used Kama Sutra to generate crazy profits from the virtual Cosmo Kama Sutra to the highly unauthorized Red Star Wars Kama Sutra on kamasutra.com and you will find a man specializing in luxury romance and entertainment on the Internet If it seems strange that a 2000 year old text is still so relevant in our erotic market is not a stranger when you realize that the Kama Sutra is not actually about sex Unlike the many modern sex manuals that bear little resemblance to the original Kama Sutra a philosophical text offering much more than a row of positions a holistic and rational life Of our generation the 2000 year old text is a very heteronormative while our modern norms do not do much to challenge the text though the reader's sexual orientation will be a heterosexual one      *Kama Sutra [electronic Resource]* Vātsyāyana,2004
