A Place to Find Love Merrilee Whren, 2023-03-27 Whitney Hamilton wants to put her past behind her and make the best of her current circumstances a high demand job and caring for her mother who has dementia But Whitney s newest coworker Jeremy Cunningham is a constant reminder of her foolish past Jeremy wants to show the world he is his own man but that may prove difficult as he steps into his brother s old job The biggest obstacle to his success is Whitney his brother s former girlfriend a source of discord for his family When Whitney and Jeremy find themselves attracted to each other there are so many reasons old and new to keep them from revealing their feelings for each other Will a long kept secret finally bring them together

Sex, Love, and Marriage Maurice A. Fetty, 1998 This book is intended to lead people toward a more mature understanding of the Christian faith with respect to love marriage and family

First Love: The People, The Music and The Message of the Jesus Movement Ed Zipp, Debbie Zipp, 2018-02-21 First Love defines a time in western Christianity when the hippie culture birthed one of the greatest moves of God s love America has seen since the Great Awakening It gave us music that defined men and women who embraced the gospel message with their whole life music that still echos into today s worship culture You will see a picture of the social issues of the day and have insight into the pioneers of Contemporary Christian Music who gave their gifts to the Lord to win a few because it was their calling a calling that is seeing new life in his children today Author Ed Zipp was a pioneer of the movement as well mentoring artists hosting new artist showcases and birthing coffee houses in Florida during the 70s First Love features an exclusive foreword written by Christian music icon Chuck Girard who was a dear friend of the author

The Nature of Love Thomas Jay Oord, 2010-04-01 God is love Consequently shouldn t love exist at the center of Christian theology When love is at the center theology is understood differently than it has typically been understood Some theologians have placed faith at the center others God s sovereignty still others the Church but Dr Oord places the emphasis on love God s love for us revealed in Christ in the Church and in creation and our love for God and others as ourselves must be afforded its rightful place Beginning with the foundation of love is what differentiates the Christian faith from others a loving God Dr Oord defines love as To love is to act intentionally in sympathetic empathetic response to God and others to promote overall well being Is this not what has defined Christians throughout history

Love and Christian Ethics Frederick V. Simmons, Brian Sorrells, 2016 At the heart of Christian ethics is the biblical commandment to love God and to love one s neighbor as oneself But what is the meaning of love Scholars have wrestled with this question since the recording of the Christian gospels and in recent decades teachers and students of Christian ethics have engaged in vigorous debates about appropriate interpretations and implications of this critical norm In *Love and Christian Ethics* nearly two dozen leading experts analyze and assess the meaning of love from a wide range of perspectives Chapters are organized into three areas influential sources and exponents of Western Christian thought about the ethical significance of love perennial theoretical questions attending that consideration and the

implications of Christian love for important social realities Contributors bring a richness of thought and experience to deliver unprecedentedly broad and rigorous analysis of this central tenet of Christian ethics and faith William Werpehowski provides an afterword on future trajectories for this research Love and Christian Ethics is sure to become a benchmark resource in the field

In Pursuit of Love Vincent J. Genovesi, 1996 While retaining the basic structure of the original book this new edition has been thoroughly updated in light of some official Catholic documents and other theological writings dealing with sexual morality that have appeared since 1986 The Catechism of the Catholic Church Pope John Paul II's encyclicals *Veritatis splendor* and *Evangelium vitae* and the 1986 and 1992 statements of the Congregation for the Doctrine of the Faith on pastoral care of homosexuals and the issue of discrimination against them are among the more recent magisterial publications considered in this text This edition also contains several new sections the misuses of sex adultery pornography prostitution sexual violence four rationales for viewing a committed love relationship as the only appropriate context for sexual intercourse marriage as a sacrament and marital sexuality and love as embodiments of commitment intimacy and passion and public policy and the civil rights of homosexuals This edition also includes an expanded discussion of topics such as sexism sexually transmitted diseases especially HIV AIDS and the moral questions raised by new family planning methods Norplant Depo Provera RU 486 postcoital hormonal interventions against pregnancy the start of human life and abortion Vincent J Genovesi SJ received his PhD in Christian ethics from Emory University He is a professor at St Joseph's University in Philadelphia His articles have appeared in such journals as *The Thomist* *The Way* *America* and *Review for Religious*

The Triumph of Love Eric Reitan, 2017-07-31 Recent years have witnessed an astonishing cultural and legal shift when it comes to homosexuality and same sex marriage Many Christians see these changes as a defeat for Christian values often painting Christian opponents as sell outs to secular culture But can there be a genuinely Christian case for same sex marriage This book makes that case While sensitive to scriptural issues it focuses on a question that cannot be answered by Scripture alone What does love for our gay and lesbian neighbors demand This question calls us to pair theological philosophical and scriptural reflection with something else attention to gay and lesbian lives We must attend to the psychological research and more importantly to the stories our gay and lesbian neighbors tell us about themselves and their experience Love does not permit us to plug our ears with Bible verses While this book argues that Christian love calls us to make same sex marriage available the deeper conclusion is that Christian values prevail when we wrestle with these questions in a spirit of love love for those with whom we disagree and love for those most affected by the decisions we reach

Created for Love Robert B. Shaw Jr., 2021-02-04 While I realize that there are countless books about love and relationships and the aspects of what relationship love looks like I am addressing love from a different angle an angle that is not often seen There is a diabolical force that blocks the ability to feel and express love This force is truly the dark side since it is underlying our every attempt to give and obtain the most important and powerful force in the universe It all starts with

understanding the intricacies of love and the forces that would hinder and even attempt to destroy love Most of us have asked ourselves during portions of our life why we may do what we do and why the world around us is so hostile resistant and self centered Love can overcome anything as long as we know the origin of love and the Giver of love There are times when a relationship needs a breakthrough and nothing seems to work In this carefully crafted book Dr Shaw gives solid Biblical answers to guide to that BREAKTHROUGH Walk through these pages and allow new possibilities of HOPE for you and your relationships This is an excellent guide that will bring new insights and New HOPE Gregory L Jantz PhD C E D S Founder The Center A Place of HOPE www.aplaceofhope.com What you hold in your hand is one of the most profound and powerful books about love you will find anywhere Dr Shaw masterfully teaches amazing precepts and awesome principles about the manifold mysteries and timeless truths of the most dynamic force in the universe love Biblically solid and clinically sound this book will change your life and transform your relationships Drink deeply eat heartily and bask refreshingly from the wise counsel of this insightful series that Bob Shaw has blessed us with Rev Jared Pingleton Psy D Minister and Clinical Psychologist Author or Coauthor of nine books

God's Love Through the Spirit Kenneth Loyer,2014 Although the doctrine of the Holy Spirit has often been a neglected subject in theology it remains vital for understanding both the Christian confession of God as Trinity and the nature of the Christian life In view of those two topics God s Love through the Spirit examines the relationship between love and the person and work of the Holy Spirit in Thomas Aquinas and John Wesley two very different figures whose teachings on the Spirit and the Christian life are found to be on the whole surprisingly compatible An investigation into Aquinas s amor based pneumatology including a groundbreaking analysis of his recently discovered Pentecost sermon and a fresh assessment of the doctrine of sanctification in Wesley show that in distinctive yet largely complementary ways Aquinas and Wesley provide resources that can be used to reclaim a richer pneumatology specifically in relation to the theological virtue of love

Evolution and Holiness Matthew Nelson Hill,2016-02-08 Theology needs to engage what recent developments in the study of evolution mean for how we understand moral behavior How does the theological concept of holiness connect to contemporary understandings of evolution In this groundbreaking work Matthew Hill uses the lens of Wesleyan ethics to offer a fresh assessment of the intersection of evolution and theology

Flames of Love Heath Bradley,2012-11-29 Is hell for real or will all be saved What if both are true It is tempting to settle either for the liberal option of downplaying the judgment of God or for the conservative option of letting dominant church tradition trump fresh understandings of Scripture Not settling for either of these popular options this book offers a clear and compelling response to the question of what hell

could be for in a universe created and redeemed by a loving God The book seeks to articulate a distinctively Christian universalism that highlights the centrality of Christ coheres with the Scriptures and early church tradition affirms the reality of divine judgment and offers motivational grounds for evangelism and holy living Ultimately this work is about the Christian struggle to envision the life of the world to come in a way that is faithful to the God in whom love and holiness are forever united

Love that Rejoices in the Truth Charles M Wood, 2010-07-29 A collection of essays that explores critical theological issues within Christianity For example Love says the apostle Paul does not rejoice over injustice but rejoices in the truth 1 Corinthians 13:6 The theological explorations undertaken here all deal in one way or another with the liberating promise and the perplexing problem of truth in Christian life and witness and with the ways that Christian theology and theological education in their various modes struggle both to seek the truth and to foster the aptitude to honour it

Flame of Love Clark H. Pinnock, 2022-04-05 In what may be regarded as his magnum opus Clark Pinnock explores the vital Christian doctrine of the Holy Spirit restoring the Spirit to centrality in the life and witness of the church For this second edition theologian Daniel Castelo draws from his experience using this book in the classroom to add helpful commentary and brief reflections on each chapter

A Classical Response to Relational Theism Brian J. Orr, 2022-02-17 The classical doctrine of God expresses that the God of the Bible is triune a se simple immutable impassible eternal and the sovereign Lord over his creation which he created from himself Modern streams of theology within the evangelical circle continue to promote a doctrine of God that sharply contrasts the classical view the traditional view of God in Christian theism Therefore a critical response to such a theology is needed This study is a comprehensive analysis and sustained critique of Thomas Jay Oord's open relational doctrine of God Oord's model substitutes process metaphysics for classical metaphysics while attempting to retain foundational Christian doctrines that were established within a classical metaphysical framework

Kansas City Romance Contemporary Christian Romance: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have captivated audiences this year. Kansas City Romance Contemporary Christian Romance : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Kansas City Romance Contemporary Christian Romance : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
