Confessions of a Video Vixen Karrine Steffans,2009-10-13 Part tell all part cautionary tale this emotionally charged memoir from a former video vixen nicknamed Superhead goes beyond the glamour of celebrity to reveal the inner workings of the hip hop dancer industry from the physical and emotional abuse that s rampant in the industry and which marked her own life to the excessive use of drugs sex and bling Once the sought after video girl this sexy siren has helped multi platinum artists such as Jay Z R Kelly and LL Cool J sell millions of albums with her sensual dancing In a word Karrine was H O T So hot that she made as much as 2500 a day in videos and was selected by well known film director F Gary Gray to co star in his film A Man Apart starring Vin Diesel But the film and music video sets swanky Hollywood and New York restaurants and trysts with the celebrities featured in the pages of People and In Touch magazines only touches the surface of Karrine Steffans life Her journey is filled with physical abuse rape drug and alcohol abuse homelessness and single motherhood all by the age of 26 By sharing her story Steffans hopes to shed light on an otherwise romanticised industry and help young women avoid the same pitfalls she encountered If they re already in danger she hopes to inspire them to find a way to dig themselves out of what she knows first hand to be a cycle of hopelessness and despair **The Vixen Diaries** Karrine Steffans,2007 The hip hop star discloses intimate details about her star studded lifestyle from her interactions with fellow celebrities who helped or hindered her career to rumors of her relationship with Bobby Brown Speaking in Tongues and Dancing Diaspora Mae G. Henderson,2014-05-07 The oral tradition has always played an important role in African American literature ranging from works such as Zora Neale Hurston s Their Eyes Were Watching God to Toni Morrison s Beloved These and countless other novels affirm the power of sonance and sound in the African American literary canon Considering the wide swath of work in this powerful lineage in addition to its shared heritage with performance Mae G Henderson deploys her trope of speaking in tongues to theorize the preeminence of voice and narration in black women s literary performance

through her reconstruction of a fundamentally spiritual practice as a critical concept for reading black women's writing dialogically and intertextually. The first half of the book is devoted to influential works of fiction as Henderson offers a series of spirited attentive readings of works by Zora Neale Hurston, Alice Walker, Sherley Anne Williams, Toni Morrison, Gayl Jones, and Nella Larsen. The second half shifts gears to consider the world of female African American performance, most notably in the figures of Josephine Baker and the video dancer. Drawing on the trope of dancing diaspora, Henderson proposes a model of theorizing based on performing testimony and critical witnessing. Throughout the book, Henderson draws on a history of black women, not only in the Pentecostal Holiness Church but also within the traditions of classical Christian African and black diasporic spirituality and performance. Ultimately, *Speaking in Tongues and Dancing Diaspora* provides a deeply felt reflection on race and gender and their effects within the discourses of speaker/listener and audience/performer. **The Publishers Weekly**, 2009

Erotic Revolutionaries Shayne Lee, 2010-08-04. Why is there no pro-sex contingency in black feminist scholarship? Why do so few African American scholars expound on issues celebrating female sexual pleasure? Perhaps the answers to these questions reside within a discursive matrix of sexual repression commonly referred to as the politics of respectability and its rein on black sexual politics. In *Erotic Revolutionaries: Black Women Sexuality and Popular Culture*, sociologist Shayne Lee steers black sexual politics toward a more sex-positive trajectory. Introducing feminist analysis to a conceptual ménage à trois of scripting theory, media representation, and black sexual politics, Lee considers the ways in which the feminist quest for social and sexual equality can delve into popular culture to see the production of subversive scripts for female sexuality and erotic agency. Whereas most feminist scholarship underscores how sexual representations of black women in media are exploitative and problematic, Lee portrays black female celebrities like Janet Jackson, Beyoncé, Karrine Steffans, Zane Tyra Banks, Juanita Bynum, Sheryl Underwood, and many more as feminists of sorts who afford women access to cultural tools to renegotiate sexual identity and celebrate sexual agency and empowerment. *Erotic Revolutionaries* navigates the uncharted spaces where social constructionism, third-wave feminism, and black popular culture collide to locate a new site for sexuality studies that is theoretically innovative, politically subversive, and stylistically chic. *Confessions of a Video Vixen: 20th Anniversary Edition* Karrine Steffans, 2025-03-04. Part tell-all, part cautionary tale, this emotionally charged memoir from a former video vixen nicknamed Superhead goes beyond the glamour of celebrity to reveal the inner workings of the hip-hop dancer industry, from the physical and emotional abuse that's rampant in the industry and which marked her own life to the excessive use of drugs, sex, and bling. Once the sought-after video girl, this sexy siren has helped multi-platinum artists such as Jay-Z, R. Kelly, and LL Cool J sell millions of albums with her sensual dancing. In a word, Karrine was HOT. So hot that she made as much as \$2500 a day in videos and was selected by well-known film director F. Gary Gray to co-star in his film *A Man Apart* starring Vin Diesel. But the film and music video sets, swanky Hollywood and New York restaurants, and trysts with the celebrities featured in the pages of *People* and *In Touch* magazines only touches the surface of Karrine Steffans' life. Her

journey is filled with physical abuse rape drug and alcohol abuse homelessness and single motherhood all by the age of 26 By sharing her story Steffans hopes to shed light on an otherwise romanticised industry and help young women avoid the same pitfalls she encountered If they re already in danger she hopes to inspire them to find a way to dig themselves out of what she knows first hand to be a cycle of hopelessness and despair UPDATE As the music industry started to have its own reckoning with men who ve behaved badly even criminally Confessions has been discussed in some quarters as an early warning bell with Karrine as a feminist icon who shined a light when no one wanted her to and championed sex positivity before it was embraced Now she talks about what it has been like to watch the tide turn and the lessons still to be learned
