

The background of the image is a high-contrast, industrial scene. A welding torch is positioned at the top right, cutting through a thick metal plate. A bright, intense blue and white flame is visible at the point of contact. A massive, dense spray of bright orange and yellow sparks erupts from the bottom of the cut, cascading downwards and filling the lower half of the frame. The sparks have a long, fibrous appearance. In the upper left, a circular metal flange is visible. The entire scene is framed by a dark, textured border that resembles a metal plate with a diamond pattern.
