bogged down in details that they lose sight of what its all about Others cant see the trees for the forestthey miss the
wondrous details all around them So why not look instead at both the forest and the trees This commentary on Pauls letter to
the Colossians guides you in doing just that Even though we will be exploring ancient biblical cultures and learning plenty
about the Greek language no prior academic training is needed Technical terms have been set aside Instead with everyday
language we will discover the big picture and revel in the fine details of this stunning letter amazed by how God is still
speaking these same words today to contemporary personal and social challenges We will not then be tourists rapidly zipping
through Colossians as if on a monotonous interstate highway Instead we will be hiking our way through this letter step by
