

A HANDBOOK FOR SPIES

by
Wolfgang Lotz

In films and in bestsellers, spies usually are romantic, dashing creatures. In real life they sometimes are. The author of this book was a real-life spy. For those who have always wanted not only to read about them, but to be one, here's the chance to learn.

Writing with the wit and humor you might expect of the man dubbed the Champagne Spy, Wolfgang Lotz offers to the aspiring spy the benefit of an insider's wisdom gained during his years as an agent for the Israeli Secret Service.

Using self-evaluative quizzes, Lotz helps the would-be spy decide whether

(continued on back flap)

(continued from front flap)

he really is spy material. To become a spy is not easy. The author-spy provides in this practical and entertaining book a wealth of step-by-step advice, advice to which only professionals are ordinarily privy: he talks about how to make initial contact with secret service agencies, what spy schools are actually like, how to find one's natural "cover," how to "tail" inconspicuously, just how much (or little) a spy ought to trust the opposite sex, what sort of financial rewards one should expect, how to lie effectively, how to cope with imprisonment and interrogation, and, finally, if one survives, how to enjoy a comfortable retirement.

Lotz writes with humor and with a great deal of knowledge, and anyone who reads this book is going to enjoy spy novels and films more than ever. And he or she might even decide to enter the profession.
