**Focus On: 100 Most Popular 21st-century English Actresses** Wikipedia contributors, **Focus On: 100 Most Popular English Songwriters** Wikipedia contributors, Disrobed Syl Tang, 2017-09-28 We may not often think of our clothes as having a function beyond covering our naked bodies and keeping us a little safer from the elements But to discount the enormous influence of clothing on anything from economic cycles to the future of water scarcity is to ignore the greater meaning of the garments we put on our backs Disrobed vividly considers the role that clothing plays in everything from natural disasters to climate change to terrorism to geopolitics to agribusiness Chapter by chapter Tang takes the reader on an unusual journey telling stories and asking questions that most consumers have never considered about their clothing Why do banker s wives sell off their clothes and how does that presage a recession How is clothing linked to ethanol and starvation on the African continent Could RFID in clothing save the lives of millions of people in earthquakes around the world This book takes an everyday item and considers it in a way that readers may not have previously thought possible It tackles topics relevant to today everything from fakes in the museums to farm to table eating and answers questions about how we can anticipate and change our world in areas as far reaching as the environment politics and the clash of civilizations occurring between countries Much like other pop economics books have done before the stories are easily retold in water cooler style allowing them to be thoughtfully considered argued and discussed **Fashion and Film** Peter Bug, 2019-09-17 This book aims to explore various aspects of the use of moving images in fashion retail and fashion apparel companies in store or online The use of moving images is growing in numbers and in relevance for consumers Films can be used in various forms by fashion businesses in traditional media like cinema or TV and in modern forms like in social media or moving images in high street stores The book provides a data oriented analysis of the state of the art with certain future outlooks Additional areas of covering fashion in moving images such as fashion company identity films or fashion and music videos are covered in order to get a more complete analysis from a consumer influenced perspective *Friends* Jennifer C. Dunn, 2019-12-04 A cultural phenomenon for a decade Friends ranked in the top ten for every year of its original run an accomplishment unmatched by any other scripted series And more than twenty five years since its theme song promised I ll be there for you Rachel Monica Phoebe Joey Chandler and Ross are still entertaining audiences around the world As the characters maneuvered their ways through dating love and the occasional conflict their loyalty to each other remained steadfast In *Friends A Cultural History* Jennifer C Dunn explores why the show immediately took hold of viewers and how the series remained must see TV for so long Dunn examines the cultural landscape that allowed a show not centered on traditional sitcom norms of family and career to become such a critical and commercial success The author also addresses how the show s complicated depictions of gender roles and class distinctions as well as its lack of ethnic diversity did not detract from its popularity In addition to exploring memorable plotlines cherished moments and the quirks of the principal

players this book analyzes the show's enduring cultural relevance Featuring a discussion of the show's 25 best episodes Friends A Cultural History offers an engaging look at the series that has resonated with generations of television viewers

**Scarlett Johansson** Kim R. Holston, Warren Hope, 2021-07-05 Despite her prominence as an actress fashionista social activist and the sexiest woman in the world Scarlett Johansson has kept her life private Her work ethic has been strong since her film debut in North 1994 at age 10 Then in 2003 Lost in Translation brought kudos and launched her adult career While she never abandoned the independents Johansson became a leading lady in very big films including eight outings as former Russian assassin Black Widow thwarting alien incursions in The Avengers and other films in the Marvel Universe This book surveys Johansson's life and films from childhood to her 2019 Academy Award nominations for Jojo Rabbit and Marriage Story Each film entry includes a plot synopsis extracts from contemporary reviews behind the scenes information and the author's analysis of the film Looked at in depth are the three Woody Allen collaborations her role as Black Widow and the films in which she becomes the other

**Faith and Fashion** Julie Cole, Graham Cole, 2022-08-24 We all wear clothes But are you concerned that your fashion choices are mere vanity or wasteful or environmentally harmful The question is how to look our best in a responsible and wise way that avoids guilt vanity and immodesty Jules and Graham Cole bring their expertise to bear on this question in this unique collaboration Jules as a fashion designer and Graham as a theologian This book pays attention to differences in body type and the challenge of best fit and does so in an environmentally sustainable way In this work you will find hints on how to dress and how to coordinate a wardrobe that is economically responsible and minimizes landfill The book seeks to honor the God of the Bible who values beauty The discussion culminates in considering the ultimate wardrobe change Fashions come and go but to be clothed with Christ is never out of date

**Doll** Maria Teresa Hart, 2022-11-03 Object Lessons is a series of short beautifully designed books about the hidden lives of ordinary things The haunted doll has long been a trope in horror movies but like many fears there is some truth at its heart Dolls are possessed by our aspirations They're commonly used as a tool to teach mothering to young girls but more often they are avatars of the idealized feminine self The word doll even acts as shorthand for a desirable woman They instruct girls what to strive for in society reinforcing dominant patriarchal heteronormative white views around class bodies history and celebrity in insidious ways Girls dolls occupy the opposite space of boys action figures which represent masculinity authority warfare and conflict By analyzing dolls from 17th century Japanese Hinamatsuri festivals to the 80s American Girl Dolls and even to today's bitmoji Doll reveals how the objects society encourages us to play with as girls shape the women we become Object Lessons is published in partnership with an essay series in The Atlantic

*Encyclopedia of Hair* Victoria Sherrow, 2023-03-30 This popular volume on the culture of hair through human history and around the globe has been updated and revised to include even more entries and current information How we style our hair has the ability to shape the way others perceive us For example in 2017 the singer Macklemore denounced his hipster undercut hairstyle a style that is associated with Hitler Youth

and alt right men and in 2015 actress Rose McGowan shaved her head in order to take a stance against the traditional Hollywood sex symbol stereotype This volume examines how hair or lack thereof can be an important symbol of gender class and culture around the world and through history Hairstyles have come to represent cultural heritage and memory and even political leanings social beliefs and identity This second edition builds upon the original volume updating all entries that have evolved over the last decade such as by discussing hipster culture in the entries on beards and mustaches and recent medical breakthroughs in hair loss New entries have been added that look at specific world regions hair coverings political symbolism behind certain styles and other topics

**Retail Market Study 2014** Marc-Christian Riebe,2014-02-01 The Retail Market Study 2014 of The Location Group is the one and only study of its kind with 150 of the most notable international cities of the fashion and retail world and 3 000 store openings on 1 500 pages Over 1 000 retailers 800 shopping streets and 500 shopping centers were analyzed The study reached more than 100 000 readers worldwide so far

*Justice on Trial* Mollie Hemingway,Carrie Severino,2019-07-09 1 NATIONAL BESTSELLER Justice Anthony Kennedy slipped out of the Supreme Court building on June 27 2018 and traveled incognito to the White House to inform President Donald Trump that he was retiring setting in motion a political process that his successor Brett Kavanaugh would denounce three months later as a national disgrace and a circus Justice on Trial the definitive insider s account of Kavanaugh s appointment to the Supreme Court is based on extraordinary access to more than one hundred key figures including the president justices and senators in that ferocious political drama The Trump presidency opened with the appointment of Neil Gorsuch to succeed the late Antonin Scalia on the Supreme Court But the following year when Trump drew from the same list of candidates for his nomination of Brett Kavanaugh the justice being replaced was the swing vote on abortion and all hell broke loose The judicial confirmation process on the point of breakdown for thirty years now proved utterly dysfunctional Unverified accusations of sexual assault became weapons in a ruthless campaign of personal destruction culminating in the melodramatic hearings in which Kavanaugh s impassioned defense resuscitated a nomination that seemed beyond saving The Supreme Court has become the arbiter of our nation s most vexing and divisive disputes With the stakes of each vacancy incalculably high the incentive to destroy a nominee is nearly irresistible The next time a nomination promises to change the balance of the Court Hemingway and Severino warn the confirmation fight will be even uglier than Kavanaugh s A good person might accept that nomination in the na ve belief that what happened to Kavanaugh won t happen to him because he is a good person But it can happen it does happen and it just happened The question is whether America will let it happen again

**Celebrity and Mediated Social Connections** Neil M. Alperstein,2019-05-16 Celebrity and Mediated Social Connections is a critical examination of the multiple realities of the mediated culture we traverse extending from our imaginary inner worlds to the imagined communities of digital media Chapters explore the dialogic at work when we connect with celebrities and internalize aspects of their personas due to the various social roles they serve within our everyday lives What might begin as

strong identification and internalization within our imaginary worlds in this digital age sometimes seeps out as we connect to celebrities their fans friends and followers in ways that were not formerly possible The book contains topics that range from the degradation of micro celebrities the role of celebrities in promoting prescription drugs and their role in contemporary social movements The common thread that runs through the book presents a mediated world that paradoxically allows if not encourages people to daydream engage in stream of consciousness thinking and fantasize about celebrities all while concurrently compelling us to engage in a digitally based objective world The possibility of interaction on and through digital media intensifies the emotional connection between celebrity and fan The more personal details one gives up the closer we feel we become digital intimacy based on the excessive self Digital media entice us to engage and remain tethered to technology staying continuously connected so as not to miss the latest post or meme To suggest we should build a proverbial wall between the two imaginary and objective worlds runs counter to the reality of an always on always connected culture in which we presently live
