K9 Professional Tracking Resi Gerritsen, Ruud Haak, 2018-03-13. A well-trained tracking dog can be the deciding factor in both criminal investigations and search and rescue operations. When the stakes are high and you demand only top performance from your K9, you need training methods relied upon by police forces and search and rescue teams around the world. Dr. Resi Gerritsen and Ruud Haak show you how to train your dog in clean scent tracking, a proven method that trains dogs to follow a particular scent on a track while ignoring cross-tracks and other odors. In *K9 Professional Tracking*, you'll learn how to start a successful clean scent tracking program from the ground up, how to pick the right dog, what equipment you need, how to lay a track, and which exercises work. Resi and Ruud also break down the science of scent and the dog's nose, critical information that allows you to fully understand what your K9 is and is not capable of in the field. With the right knowledge and techniques, you'll be able to train tracking dogs to the highest professional standards.

K9 Behavior Basics Resi Gerritsen, Ruud Haak, Simon Prins, 2010. This book takes a close look at the dog's behavior and signals, which are fundamental to understanding how dogs play and learn. Every K9 handler needs to understand these behaviors because understanding them makes dogs easier to raise and train. It is a pleasure to have a K9 as a reliable companion in service. It is important that the parties at both ends of the leash can trust one another. To that end, it is essential for us to recognize and correctly interpret the expressions, gestures, and signals of the dog. The authors also explain the principles and techniques of operant conditioning, a modern and successful method of K9 training for search and detection, patrol, remote-guided camera, and attack.

K9 Line-up Training Resi Gerritsen, Ruud Haak, Simon Prins, 2023-02-01. Enhance your K9's detection capabilities and unlock the power of its nose with scent and odor line-up training. Learn how to master the basics of detector dog training, train dogs in scent identification line-ups, and odor recognition tests. Troubleshoot common problems in scent identification and detection work. The use of detector dogs to find or identify scents or odors has a long history and has risen dramatically in recent decades in all different areas of detection, including drugs, explosives, missing persons, and more. But even with this increase, there remains a lack of information about the different ways to train dogs in scent identification and

detection and even less about the many ways that training can go wrong K9 training experts Resi Gerritsen Ruud Haak and Simon Prins wrote this book so all trainers have access to the knowledge they need to train capable detector dogs This book introduces both professional and amateur dog handlers to the basics of scent and odor line up training and their applications in K9 scent identification and detection work From training schedules to the fascinating history of nose work in policing this book is designed to be a practical accessible and informative resource for K9 officers professional or volunteer search and rescue workers competitive dog trainers and enthusiastic hobbyists alike *K9 Drug Detection* Resi Gerritsen,Ruud Haak,2017-01-02 A comprehensive guide to training and deploying your drug detection dog Learn how to Select the right dog for drug detection work Train your K9 using the latest techniques with proven results Plan and execute searches of individuals and in a variety of settings including open air locations warehouses and other buildings airplanes automobiles and ships In the fight against illegal drugs a well trained K9 can be your most important asset K9 Drug Detection gives trainers and handlers the tools and knowledge they need to properly train and deploy a highly effective K9 drug detection team Expert trainers Dr Resi Gerritsen and Ruud Haak provide the key principles for successful training as well as step by step training schedules for both active and passive responses They describe the many factors that affect a K9 s work in the field including the influence of air currents and various weather conditions They teach you how to protect your K9 from dangerous substances and what to do if your dog is accidentally exposed They also provide background information every K9 drug detection handler should know such as the basics of drug laws in North America and Europe and essential facts about the appearance effects risks and use of the most common illegal drugs *K9 Schutzhund Training* Resi Gerritsen,Ruud Haak,2014-07-31 Much has changed in the world of dog training since the first edition of K9 Schutzhund Training was published in 2000 In this completely revised second edition world renowned specialists in dog training Dr Resi Gerritsen and Ruud Haak teach you the latest techniques to train your Schutzhund dog in tracking obedience and protection With proven methods rooted in classic and operant conditioning this new edition of K9 Schutzhund Training provides beginners with an excellent introduction to the field while expert trainers can stay on top of their game with the latest techniques **K9 Schutzhund Training** Resi Gerritsen,Ruud Haak,2000 Professional Schutzhund trainers and instructors Resi Gerritsen and Ruud Haak bring their years of knowledge and experience together in this book K9 Schutzhund Training Appropriate for training dogs for both protection work and for international sport dog certification and competition this is designed to be an especially practical training method Founded on the idea that effective training can only happen when a good bond and good communication exist between handler and dog this method allows individual handler dog teams to progress at their own speed Different breeds and individual dogs may require different lengths of time and repetition to effectively learn to perform the exercises contained in this book While many trainers claim a dog can be trained to perform to this level in only a few weeks the authors show that effective long lasting results can only be achieved with time and patience The three sections of
