Karazahn Attunement Guide:

A Pilgrimage into Letting Go Andrew Root, Kara K. Root, 2025-09-09 Andy and Kara were anxious about their teenaged children approaching adulthood in a tumultuous world. Anxious too about their ministries after all as America's pews empty the church depends on its leaders to save it. If only they could control the circumstances faced by those who depended on them they could ensure their success. But maybe the solution isn't paving the way for our kids or our congregations. Maybe it's hiking the long road alongside them. Andy and Kara took this literally. Following the way of Cuthbert a seventh century saint they embarked with their kids on a 63 mile walking pilgrimage in England and Scotland. Over the course of their journey Andy and Kara learned that when we release control we can regain connection with our families with fellow pilgrims along the road with nature and with God. Thought provoking and relatable **A Pilgrimage into Letting Go** will help parents pastors and ministry leaders let go of their anxiety and open themselves up to God's transformative grace.

Blue Shaman Hugh Malafry, 2017-08-04 In the wake of the cataclysmic loss of the heaven of the First Time the kingdoms of this world descended into an unrelenting dark age. Driven to return to the paradise that once was human civilizations rose and fell their sovereignty always short lived and

forever challenged by conflicting visions of how to restore heaven on earth In the time of the great transgression a path for man to return to the way of life was established in the Na Akhu El sages the shining ones of the First Time In these the seed of light of the Golden Age was sown to teach the way of the Four Forces of the cycles of creation and how to harmonize in them And though the way was offered and there were those who awakened to divine identity in the new heaven of this world always the spirits of fear greed and shame overwhelmed the revelation obscured the way and wrought destruction At the Great Pyramid an epiphany in the Kings Chamber compels Hugues Caron to seek out and learn of the Na Akhu el sages the way of divine identity and mastery of the lost Hallows In his quest to understand the mystery of the stone of sovereignty Caron learns that a third and final opportunity for the spiritual regeneration of the human race and return to the Golden Age is in the offing Again it is for the Na Akhu El sages to prepare the way but even as this millennial old contest comes to climax subversive forces of another ancient order are at work Should these prevail an end will be made to the fallen state not in restoration to a Golden Age but in the final destruction of the human race **Subject Guide to Books in Print** ,1997

Constructions of Media Authorship aims to fill this gap the volume s interdisciplinary contributions reflect historical and current artistic practices within various media and attempt to grasp them from different perspectives The first part sheds a new light on different artistic and design practices and questions the still dominant view on the individual identifiable author The second part discusses creative practices in literature emphasizing the interrelation of aesthetic discourses and media practices The third part investigates authoring in audiovisual media especially film and TV while the final part turns to electronic and digital media and their collective creativity and hybrid mediality The volume is also an attempt to develop new methodological approaches focusing on the interplay between various human and non human actors in different media constellations
