**Print and Practice** Timothy Duguid, 2016-04-22 During the Reformation the Book of Psalms became one of the most well

known books of the Bible This was particularly true in Britain where people of all ages social classes and educational abilities memorized and sang poetic versifications of the psalms Those written by Thomas Sternhold and John Hopkins became the most popular and the simple tunes developed and used by English and Scottish churches to accompany these texts were carried by soldiers sailors and colonists throughout the English speaking world Among these tunes were a number that are still used today including Old Hundredth Martyrs and French This book is the first to consider both English and Scottish metrical psalmody comparing the two traditions in print and practice It combines theological literary and musical analysis to reveal new and ground breaking connections between the psalm texts and their tunes which it traces in the English and Scottish psalters printed through 1640 Using this new analysis in combination with a more thorough evaluation of extant church records Duguid contends that Britain developed and maintained two distinct psalm cultures one in England and the other in Scotland

Department of the Army Pamphlet ,1970      Studying Language in Interaction Betsy Rymes,2022-10-28

Studying Language in Interaction is a holistic practical guide with a hybrid purpose To emphasize a particular approach to language in the world a theory of language that has room for communicative repertoire and sociolinguistic diversity and to provide a practical guide for new researchers of language in interaction Each chapter focuses on one way of communicating providing a set of strategies to observe note and reflect on context specific ways of using multiple languages of sounding naming using social media telling stories being ironic and engaging in everyday routines This approach provides a practical guide without stripping out all the wonder and nuance of language in interaction that originally draws the novice researcher to critical inquiry and makes language relevant to the humans who use it every day Studying Language in Interaction is not only a practical research guide it is also a workbook for being in the world in ways that matter illustrating that any research on language in interaction involves both tricks of the trade and a sustained engagement with humanity With extensive pedagogical resources this is an ideal text for advanced undergraduate and graduate students of sociolinguistics intercultural communication linguistic anthropology and education who are embarking on fieldwork projects
