Monadnock Baton Student Manual:

Pro-Systems Complete Baton Manual Fernan Vargas, Joseph Truncale, 2015-10-03 The straight stick has probably been used as a self defense tool since a human made the first footprints on earth Through the ages variations of the stick and staff have been created to make a better self defense tool The straight stick was turned into spears and swords Understanding the basic use of the straight police baton makes it possible to use numerous other objects for self defense In fact the same techniques taught for using the police baton relate to a host of stick fighting and sword arts such as Hanbo Jutsu Jo Jutsu Wakizashi Jutsu and similar weapon combat systems It is hoped this book will provide a basic overview of the many ways a straight baton can be used for self defense control and takedowns for law enforcement security officers and martial artists studying weapons
